Dear Councilman Lombardi:

It has been brought to the attention of the Providence School Board that the alumni at Classical High School would like to adopt the field adjacent to the school and erect a plaque in honor of Mr. Alfred V. Morro, longtime teacher and coach at the high school.

Enclosed are two letters supporting this request. The Providence School Board would support this adoption; however, I believe this is an issue that requires City Council approval.

Please advise as to what steps should be taken by the School Board to expedite this matter.

Very truly yours,

Roosevelt Benton

Dear Mr. Benton:

This is the latest in a series of letters I received asking that the Athletic Field at Classical High School be dedicated to Mr. Al Morro.

In light of Mr. Morro's long time tenure with the Providence School Department and his academic and athletic contributions to the students I believe this is a request we should consider. If you concur, I will place the matter on the agenda at a future School Board meeting.

Please advise.

Sincerely,

Dear Mr. Zarrella,

I am writing this letter to respectfully ask you to name the Athletic Field at Classical High School appropriately after "legendary" coach Al Morro.

There are a number of reasons why I feel this should be done, one of which is the many years of unconditional dedication he has put into his profession both with students and the educational field, in general. In the past, he has organized parades to have a Bond Issue on the ballot for the voters to vote for the land where Classical High School now stands. The land for the athletic field was part of this package. Mr. Morro's contribution to the community has been so upstanding that dedicating the field in his name I am sure will be an honor to him and his entire family.

In addition, the alumni support has been so great that they have raised funds for a plaque in his honor and needs the permission of the School Department to have it erected.

I thank you in advance, for taking this matter seriously and if I may be of any assistance in accomplishing this fete, please do not hesitate to contact me.

Sincerely,

Robert J. Palazzo
