TO THE HONORABLE MEMBERS OF THE CITY COUNCIL

Dear Sirs:

In reply to your directive of December 8, 1967, please be advised that the newspaper account of a rate change for consumers of electricity in the area of the State of Rhode Island supplied by the Narragansett Electric Company, was a press release by the State Department of Public Utilities and not by the Narragansett Electric Company. I have discussed this rate change with an official of the Utility Company and as of to-day I have been unable to obtain an official copy of the propose rate change. The Utility Company will furnish this office with a copy of the rate change when it becomes effective.

Respectfully Submitted,

Peter J. Hicks, Jr.
Public Service Engineer
