Providence House Directory

AND FAMILY ADDRESS BOOK

COPYRIGHT 1906 BY SAMPSON & MURDOCK CO.

In this House Directory the numbers have been arranged in regular succession without distinctive reference to either side of the street. Names of housekeepers and boarders are given at residences, being designated by the abbreviations h. and b. after the name. When neither of these abbreviations appear business places are indicated and at such places the names under which the business is carried on (individual, firm or company,) are given. When at the same street number, more than one name appears, they are arranged by floors except that where different rooms or apartments are given by numbers, they are arranged numerically.

The abbreviation r. between the street number and the name signifies "rear," but when it follows the name, "rooms."

The streets are arranged in Alphabetical order
