Dear Councilman Payne:

Quite some time ago this department approved plans for the Mount Hope Project, which included the abandonment of the present main and the installation of a new main in the reconstructed Bugbee Court.

It is apparent that the original plans have been revised. Therefore, this department does not have any objection to the abandonment of Bugbee Court.

Consistent with past policy the Redevelopment Agency will not be billed for the depreciated value of our facilities.

RESOLUTION OF THE CITY COUNCIL

No. 265

Approved May 10, 1971

RESOLVED, DECREED AND ORDERED

That Boone Street, from Davis Street, shown as cross-hatched area and designated by the letters A-B-C-D-A on the accompanying plan entitled, "Providence, R. I., P. W. Dept.-Engineering Office, Street Line Section, Plan No. 063417, dated February 10, 1971", has ceased to be useful to the public and the same is abandoned as a Public Highway and the damage to the abutters is appraised at nothing and so awarded, and it is further

ORDERED,

That the Director of Public Works, be and he is hereby directed to cause a sign to be placed on Boone Street, from Davis Street, abandoned as aforesaid, having thereon the words "Not a Public Highway", and it is further

ORDERED,

That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper published in the County of Providence at least once each week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting Boone Street, from Davis Street, which has been abandoned, who is known to reside within this State.

Dear Councilman Payne:

We received a memorandum dated January 22, 1971 from the Department of the City Clerk together with a copy of a Petition for Abandonment of Boone Street. We find that our facilities in the street to be abandoned have a depreciated value of \$2,164.78. This amount includes work of a miscellaneous nature to plug and strap tees in the connecting water mains.

We are filing a bill with the City Clerk's Office in the above amount and respectfully request that your Committee take no action on this matter until the Water Supply Board is assured of payment for the value of the facilities located in the section of the highway to be abandoned.

Very truly yours,

Enclosed is a letter from the State of Rhode Island requesting the abandonment and subsequent purchase of Boone Street.

I question the sale of said street as I believe the State owns property on both sides and would acquire the land anyway if the street were abandoned.

I would offer no objection and would in fact support the acquisition by the State under either procedure.

I would appreciate your committee giving this matter your immediate attention as the State is quite anxious to acquire this land.

Thank you for your kind attention and cooperation.

DEPT: Public Works

SUBJECT: RE: ACQUIRING OF BOONE STREET, PROVIDENCE, R. I.

Dear Mr. Shephard:

Your request for a price on the land known as Boone Street located between Davis and State Streets, Providence, Rhode Island, is being studied.

An investigation of the records of sales in the area show that \$1.00 a square foot for commercial land and .30 cents a foot for residential land is the running market value in the area.

However, this land abutted by land owned by the State of Rhode Island and used on the south side of Boone Street as a parking area and on the north side by the new medical building, a commercial value should apply.

The area of Boone Street before being widened recently by the State of Rhode Island was approximately 3300 square feet. Since the widening the area has been increased to approximately 5300 square feet.

A check with city clerks office in the City of Providence indicates no abandonment of Boone Street has ever been made.

Wouldn't it be necessary before it could be transferred to the State unless acquired by condemnation.

Trusting this is the information you require, I am

Respectfully yours,

SUBJECT: Referral No. 1785 - PETITION FOR ABANDONMENT OF BOONE ST.

Gentlemen:

This petition from the Committee on Public Works requests the abandonment as a public highway of Boone St. between Davis St. and State St. in Assessor's Plat 3. The petition was submitted by the State of Rhode Island which has acquired the abutting property for state use.

Inspection revealed that Lot 493 on the north side of Boone St. is occupied by the newly constructed State Health Department Building. The property to the south of Boone St. is currently in use as a state operated parking area.

Since the traffic division of this department has no plans for circulation which would conflict with the abandonment of Boone St.,

The Commission

VOTED: To offer no objection to the granting of this petition.

FROM: Dennis D. Sheehan, City Assessor
SUBJECT: State's offer to purchase Boone Street

In response to your request, I Have made a study of land values in the vicinity of Boone Street for the purpose of determining whether the offer of \$1 per square foot made by the State of Rhode Island for said Boone Street is a fair one.

Based on the sales that have occurred in the area during the past 24 months and considering the fact that the State is the sole abutter on both sides of the street, it is my considered opinion that the offer of \$1 per square foot is eminently fair and should be accepted.

Boone Street:
