# RESOLUTION OF THE CITY COUNCIL

No. 246

Approved April 3, 1953

Resolved,

That

effective immediately upon the removal of restrictions by the National Production Authority of the United States of America, the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

WARD 4. ANTHONY D. PRETE, 184 Metcalf Street, Plat 72, Lot 486, 1-4,000, 1-3,000, 1-2,000 gallon gasoline storage tanks replacing 1-1,000 and 1-550 gallon gasoline storage tanks making 9,000 gallon total storage capacity upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.
