SUBJECT: Referral No. 1136 - ABANDONMENT OF ELK STREET AND PORTION
OF WEST RIVER STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, January 12, 1960.

This referral is a request to abandon Elk Street and a portion of West River Street as a public highway.

On an inspection and photographic survey it was found that Elk Street and the abutting northerly portion of land had been surfaced for use as private parking; also, West River Street was curbed and paved but had many surface deficiencies.

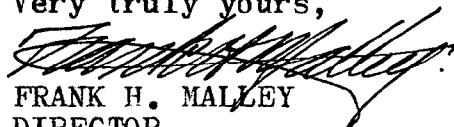

Reference is made to Referral No. 1122, from the Committee on Public Works, dated November 25, 1959, at which time a request was submitted to abandon a portion of West River Street. The City Plan Commission VOTED: To offer no objection to abandon that portion of West River Street as a public highway. The City Council referred the petition back to the Committee on Public Works and the petitioner was granted leave to withdraw his request.

Since the usefulness of the legally existing secondary and major thoroughfares has been reduced by the West River Industrial Park, including the location of the spur track and the relocation of West River Street,

The Commission

VOTED: to offer no objection to the granting of this petition.

SUBJECT: Referral No. 1135 - ABANDONMENT OF PORTION OF MINER STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, January 12, 1960.

This referral is a request to abandon Miner Street from Oxford Street to Sayles Street.

On an inspection and photographic survey it was found that this portion of Miner Street lies within the proposed Mary E. Fogarty Elementary School site and the character of the area was changing rapidly due to large-scale structural demolition.

Since this portion of Miner Street is included in proposed City plans for school purposes,

The Commission

VOTED: to offer no objection to the granting of this petition.

Very truly yours,

FRANK H. MALLEY
DIRECTOR
CITY PLAN COMMISSION
