ORDINANCES SECOND READING

The following Ordinances were in City Council December 7, 1995, Read and Passed, the First Time, as Amended, and are Severally Returned for Passage, the Second Time, as Amended:

An Ordinance making an appropriation of Three Hundred Nine Million, Nine Hundred Sixty-Two Thousand, Six Hundred Ninety-One Dollars (\$309,962,691.00) for the fiscal year ending June 30, 1996, as amended.

Be it ordained by the City of Providence:

Section 1. Findings and Declarations.

A. Findings

The City Council finds the following:

1. The provisions of the Providence Home Rule

Charter and the Code of Ordinances mandate that a tax levy ordinance be enacted before the end of July.

2. The Finance Director has advised the City Council that the City will be unable to meet its payroll and other obligations after July 31, 1995 unless a levy ordinance is enacted.

3. The Mayor's proposed budget for FY 1996 is balanced with \$21 million in personnel-related reductions in expenditures.

4. The Mayor's proposed reductions were first described in detail in the Mayor's State of the City

Address on March 16, 1995 and were reiterated in the Mayor's Budget Address on May 2, 1995.

5. On June 22, 1995, the Mayor met with the various city union officials and informed them of the need to reduce personnel-related expenditures.

6. There are no collective bargaining agreements with city unions in place as of this date.

7. The City provides vital public services, including police protection, fire protection, elementary and secondary education, water distribution, traffic control and other public services which will be curtailed unless sufficient funds are made available for the operation of City government.

8. City services are vital to the 160,000 people who live in the City of Providence, as well as the 150,000 additional people who enter Providence on each business day.

9. The City's bond rating is at risk if the City fails to adopt a balanced budget in a timely fashion.

10. In order to avert a "financial calamity," personnel costs must be reduced, notwithstanding the fact that no collective bargaining agreements have been negotiated and ratified.

11. The City's cost for providing pension and health benefits to retirees has grown from \$12.7 million in FY 1989 to a projected \$29.5 million in FY 1996.

12. The City's retirement Und actuary has revealed that the increase in pension costs was caused primarily by raising the cost-of-living adjustment (COLA) for Class B employees from 3% simple interest to 5% compound interest, and by adding longevity pay to an employee's base pay in determining final compensation for calculating a pension. These changes went into effect between 1988 and 1991.

13. The cost of health care benefits for retirees has grown for two major reasons: (1) the premium rate has increased by as much as 70% for retiree groups since the late 1980's; (2) the number of city retirees eligible for this benefit was significantly expanded in 1990 when coverage was extended to retired teachers.

14. The City's cost for health care benefits for retirees, including retired teachers, has grown from \$600,000 in FY 1984 to \$2.5 million in FY 1995 and is projected to be \$7 million in FY 1996.

B. *Declarations.*

It is hereby declared that for the benefit of the people of Providence for their continued health and welfare and the good order of the City of Providence:

1. It is incumbent upon the City Council to enact a tax levy ordinance as well as a balanced budget.

2. It is incumbent upon the City Council to maintain financial stability and provide the uninterrupted flow of vital public services by reducing personnel and other expenditures.

3. It is incumbent upon the City Council to enact ordinances to reduce certain employee and retiree benefits while providing that all current employees will receive a pension benefit no less than that amount they would have accrued as of September 2, 1995.

4. It is incumbent upon the Council to institute a series of reductions in personnel-related expenditures by adopting the following provisions:

(a) That the COLA paid to Class B retirees will be reduced from 5% compound interest to 3% simple interest on the first \$10,000.00 of pension payments. This reduction will apply to all current Class B retirees as well as future Class B retirees.

(b) That the longevity pay earned by

employees will no longer be counted in the calculation of thier pensions and the final compensation will be based on the average of the highest three years of compensation, not the single highest year. Pension changes will save more than \$6 million every year.

(c) That after September 2, 1995, health care benefits will be provided for the retiree only, not spouses and children.

(d) That for active employees, the City will provide a health care benefit equivalent to Healthmate 2000, so-called, a plan that is 15% less expensive than the present health care benefit. City employees wishing to maintain a health care benefit equivalent to Blue Cross Classic Blue plan may do so by paying the additional cost. These health benefit changes will save approximately \$2 million next year, and more in future years.

(e) That the number of fire fighting companies shall be reduced from 23 to 20, resulting in a reduction of minimum manning from the present 98 to about 87 per shift. This will enable the City to reduce expenditures by approximately \$2 million.

(f) That the positions of approximately 150 City employees who have retired or resigned will be defunded permanently, resulting in a savings of \$5 million.

(g) The major savings will result from no pay increases for employees in FY 1996.

Section 2.

PERSONAL EXPRESSION

COUNCILMAN CLARKIN requests the Privilege of the Floor to speak on a Point of Personal Expression and states:

"In the last couple of weeks, two young men were shot to death. It seems that the Police have a few suspects in the last killing. Both these killings seem to have been done by teenagers or young men.

About four months ago, my daughter, 19 years old at the time, had a gun put to her head. She was robbed of her pocketbook. This happened on the East Side of Providence by a White kid around 15 to 19 years of age.

Two months ago, in the Federal Hill Neighborhood, my niece and another girl, both around 18, had their pocketbooks taken from them by young Black kids with a gun. Kids that my niece said were around 13 to 15 years of age.

This has gotten out of hand!

Our Courts have to start putting these bums away for a long time. A gun in the hand of a kid is more dangerous than in the hand of a professional criminal.

The Courts can't keep just slapping the hand of these kids and telling them to be good. They must punish them for the crime that is done for their age. All our system of justice is doing is teaching them that they can get away with crime. I don't know any of the suspects in this latest killing. But, I bet those involved will all have long records.

Our police can arrest the bad guys, all day long. But, if the Courts don't punish them, what good does it do?"

PERSONAL EXPRESSION

COUNCILWOMAN DiRUZZO requests the privilege of the floor to speak on a point of personal expression and states:

"A little earlier in the week I went to one of my favorite shops downtown, Cherry & Webb. I do shop there whenever I can and when I went in there the salesgirls who know me were so glad to see me. They said they were so glad to see me because they wanted to say good-bye. I was shocked to learn that Cherry & Webb is closing for good. Did anyone know this?

I was very upset to learn this because once again, we are losing another long-standing store and when I asked why, they told me Johnson & Wales did not want to renew their lease and we are losing another department store and more taxpayers.

This reminds me of the fire at the Sterling Shoe Store and when they were knocking down the building to make a park and I asked the Department of Planning and Development if we needed another Park? There is no question in my mind that downtown will be nothing but a Johnson & Wales College Town and there will be no more retail stores.

I also called John Palmieri regarding the Cherry & Webb closing to see if we could extend their lease or at least relocate them and Cherry & Webb refused. They want out of the City if they cannot stay at the same corner. I am going to try hard to see what I can do to see that Cherry & Webb stays open."
