DATE: January 12, 2012

SUBJECT: Collective Bargaining Agreements by and between the Rhode Island Laborers' District Council on behalf of Local Union 1033 and the Providence School District

I am writing to formally present you with the terms of the recently negotiated successor Collective Bargaining Agreements by and between the Providence School District and this Union, and to respectfully request your support for ratification.

As you know, our Union is honored to represent approximately 900 dedicated Public Servants employed at the School Department in four separate bargaining units. Our membership has consisted of Teacher Assistants, Bus Monitors, Crossing Guards and the varied professional classifications that make up the B.E.S.T. unit. In meeting the needs of the City and our School District, we have, as an employee initiative, merged our Bus Monitor and Crossing Guard units into a new "Public School Safety Services' Officer Bargaining Unit." Upon your ratification, the bargaining unit will have one contract for all members, provide cost savings to the City and provide a cross trained staff able and committed to meet the needs of temporary absences for all tasks.

I believe, that following your review of the new terms, you will agree with me that our 2011-2015 Union Contracts are progressive and meet the needs of "your workforce" as well as the needs of "your constituents." As in the past, our membership accepted and addressed the concerns of our Capital City. Our Union has a long history of accepting the challenges of the times and working out real solutions. We take this action to

address real issues on a real time basis. Our commitment to the stability of our City is as real as our commitment to the stability and security of our membership and their families. It is our hope and trust that all stakeholders of our City are as sincere in adopting timely solutions as our Union has been.

The membership of Public Employees' Local Union 1033 looks forward to full ratification by the Providence City Council and is most appreciative of the amicable relationship we enjoy with our Capital City's legislative body. Our relationship has been fostered over the last many years by mutual respect, candor, and a genuine concern for the City of Providence and its people. We trust that every member of our City's legislative body will appreciate our efforts and our shared sacrifices.

As with our City contracts, due to the statutory requirements of the Municipal Employees' Arbitration Act, § 28-9.4 RIGL, which limits a Municipal Collective Bargaining Agreement to a three-year period, we are formally presenting to you and seeking your ratification of two (2) agreements covering the time periods July 1, 2011 to June 30, 2012 and July 1, 2012 to June 30, 2015.

Details of the negotiated changes are as follows:

**A. Public School Safety Services' Officer Bargaining Unit (PSSSO)**

Term - July 1, 2011-June, 30, 2012 AND July 1, 2012-June 30, 2015. State Law forbids a Municipal Employee Collective Bargaining Contract from exceeding three years, so our Agreement is actually two separate Agreements. The first Agreement is retroactive to July 1 and continuing to June 30, 2012 and our second agreement is for a three year period beginning in July, 2012. The changes contained in these Agreements are as follows:

Unification- The Crossing Guard and Bus Monitor Bargaining Units will now be combined and known as the "Public School Safety Services' Officer Bargaining Unit." The bargaining unit will have one contract for all members.

Wages- Following ratification by the City Council, all PSSSOs shall receive the wage rates of the former Bus Monitor bargaining unit, which is a wage reduction for those employees performing crossing guard duties (and everyone will also receive full pay on all holidays);

- Increases: July 1, 2013: 3% and July 1, 2014: 3%
- In the event there is a wage increase afforded to City/School Employees prior to July 1, 2013, all 1033 members shall receive that increase

Health Benefits- Local Union 1033 Health Care Plan -All members will receive the Local Union 1033 Health Care Plan (Healthmate Coast to Coast). An HMO will no longer be mandated on new members. PSD shall provide all employees who regularly work (6 wks. or more) more than twenty hours per week with family insurance coverage. Those working less than twenty hours per week will receive individual coverage.

All PSSSO members may bid and fill by seniority, all future vacancies. Thus, individuals currently working 20 hours or less may seek positions that provide greater than 20 hours of work and Family Healthcare benefits.

In spite of the rising cost of health care, employee contributions for healthcare will NOT increase prior to July 1, 2013 (when membership wages increase).

Jan. 2012- Individual Plan pre-tax co-share of .0145 of base wages (not more than 15% of premium or \$750 annually). Family Plan pre-tax co-share of .0285 of base wages not to exceed 15% of premium or \$1500 annually).

July 1, 2013- June 30, 2015- 15% of negotiated working rate

\*Premium/working rate shall not increase by more than 9.5% annually

Retiree Coverage- Retiree healthcare coverage remains unless that employee is eligible for retiree healthcare under another plan, including one's spouse's plan. If coverage is not equivalent in coverage or cost to the PSD plan, the School Department shall have the option of making payment to make cost equal and/or providing coverage to make plans equivalent.

Professional Development- In service training is eliminated. Commencing in the 2011-2012 School Year, PSD shall provide 7 hours of paid professional development.

Vacations, Holidays, Recesses- Everyone shall receive pay for holidays designated in the contract. For holidays that fall during a recess week, employees shall receive an additional paid personal day.

Longevity- Effective January 1, 2012, the longevity supplement shall be reduced by 1%. Eligible employees shall now receive between (3-6%).

Bi-Weekly Payroll- Effective with the payment of the FY12 Longevity Supplement on or before January 15, 2012, all employees will be switched to bi-weekly payroll.

Individuals who do not qualify for longevity may, at the employee's request, receive a no-interest bridge loan. This loan will be paid back in equal deductions from remaining eight biweekly checks.

Union Benefits- Effective December 31, 2011, the School Department agrees to participate in the preferred schedule as codified in the Funding Rehabilitation Plan of the Laborers' International National (Industrial) Pension Fund; securing all existing benefits at the 2008 benefits level! (Pre-2008 monthly maximum benefit at \$46.32 per year of service and 2008 and thereafter at \$25.74, retaining existing payment options and regular retirement age at 62). This provision requires the School Department to increase its contribution by 10% compounded annually.

Prior to January 1, 2012, the City contributed \$11.52 per day for each day each employee covered by the Agreement was paid, to the Union Benefit Trust Funds, with an additional three cents (\$.03) per hour going to the "Rhode Island Public Employees' Training Fund." Effective January 1, 2012 through December 31, 2013, the additional three cents (\$.03) per hour will be suspended.
