Dear Councilman Lombardi

As a listener of the Dave Kane Show  
PRD - on Sundays. All of his callers  
would like to pay tribute to a  
rare little girl who lost her life.  
Jennifer Rivera. She was brave enough  
to be a witness for a murder she  
witnessed and lost her life. Attorney general  
never helped and now we  
want a memorial Tot Park in Fresno should  
be named in her memory. Either that  
or memorial square near her home.  
By not? I know the Council I was a  
and member so how about showing the  
people this could be done. Take this up  
with your Council members next session  
and let this get swept under the rug.  
action for this year so thank of all  
help you need. Do consider this.

Dear Chairwoman Young:

Due to a prior commitment, I regrettably am unable to attend the Committee on Urban Redevelopment, Renewal and Planning meeting this evening.

I am in favor of the park dedication for Jennifer Rivera, as long as the family is involved in the planning and the location of the park.

If you have any questions or concerns, please contact me.

Sincerely,
