## SEWER EQUIPMENT OPERATOR

CLASS TITLE: Sewer Equipment Operator

CLASS DEFINITION: Difficult manual work of a mechanical nature in the operation of complex automotive sewer equipment; and related work as required.

DISTINGUISHING FEATURES OF WORK: Work involves responsibility for operating the more complicated and specialized automotive sewer equipment, generally representing a considerable expenditure of public funds. Operators are required to make minor operating repairs and adjustments and to do general manual labor as directed when not operating or servicing equipment. Assignments may be received in detail for each job to be performed or work may follow an established and detailed routine, or the operator may be required to work independently. Work may be performed under immediate or general supervision and is subject to check in process and upon completion.

ILLUSTRATIVE EXAMPLES OF WORK: Operates an eductor truck, back-hoe, and vacuum for cleaning catch basins, sumps, and sewer lines. Operates a utility truck and appurtenances such as compressors, pumps, generators and valve operator. Operates an automotive clam shell loader of the bucket or self-propelling type, cleaning sludge from the sewers. Operates a power shovel, operates and makes minor maintenance repairs on a motor launch. Keeps simple records of time and equipment usage; makes minor operational and maintenance repairs and services equipment. When not engaged in equipment operations or servicing, performs general manual labor as directed.

DESIRABLE KNOWLEDGES, SKILLS AND ABILITIES: Working knowledge of the mechanics of gasoline and diesel motors and automotive equipment. Skill in the operation of complex and other automotive equipment. Ability to make operating repairs and adjustments and perform general maintenance work on equipment. Ability to work without close supervision and to understand and effectively carry out oral and written orders. Physical strength and endurance to perform arduous work often under adverse conditions.

QUALIFICATIONS REQUIRED FOR APPOINTMENT: Completion of eight school grades. Experience in the operation and maintenance of automotive equipment, such as may have been learned in the next lower class of equipment operator.

SPECIAL REQUIREMENTS: Possession of or ability to obtain a valid R.I. driver's license when work assignments do require.
