Re: Referral No. 2077 - Abandonment Portion of Ohio Avenue

Gentlemen:

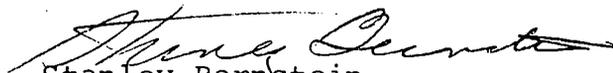

This letter is transmitted in compliance with your earlier memorandum requesting this Department's review and report on the above referred to proposed abandonment of that portion of Ohio Avenue from the easterly line of Michigan Avenue to its easterly terminus at the westerly lot lines of Lots 275 and 299 on A.P. 56. The petition was submitted by Ethel Bellamy, owner of Lots 727, 728, 767 and 769 on A.P. 87 on both sides of the aforesaid portion of Ohio Avenue.

A field inspection by this Department revealed that most of Ohio Avenue is a 50 ft. wide improved right-of-way that runs easterly from Eddy Street, across Michigan Avenue to its terminus. The subject portion of Ohio Avenue is a dead end paper street which has become a grassed yard area with a fence on top of a stonewall crossing Ohio Avenue along the easterly street line of Michigan Avenue. The subject portion is approximately 153 ft. long and has an area of 7,650 sq. ft.

The subject portion of Ohio Avenue has no important value as a public street. Its usefulness will be as a service entrance and exit to the adjoining lots, all of which are owned by the petitioner.

On the basis of the aforestated facts, the Department of Planning and Urban Development has no objection to this petition.

Sincerely yours,

  
Stanley Bernstein  
Director
