Ms. Rose M. Mendonca, City Clerk
City of Providence
Rhode Island 02903

Dear Ms. Mendonca:

I am in receipt of Resolution Number 332 of the Providence City Council dated June 8, 1981, which requests the removal of the Transit Shelter located at the Corner of Elmgrove Avenue and Sessions Street.

This shelter, which was constructed at the City's request, was subject to approval, as are all transit shelters, by the Public Works Department and Traffic Engineering. These approvals must be obtained before our contractor erects a structure. As you may be aware, all proper approvals were obtained and this request was honored.

We at RIPTA will forward your Resolution to Transit Shelters, Inc. for consideration and pursual. I am sure they will respond to your request in a reasonable amount of time.

If we can be of any further assistance feel free to contact me at any time.

Very truly yours,

Eileen Cioe
General Manager
