RE: Street Abandonments

Dear Mr. Clement:

In researching the Department of Public Parks site map and records, our conclusion is that the abandonment of Revere Place, McIntyre Court and a portion of East River Street, will in no way conflict with any Parks Department facility or future plans for the area. Therefore, the Department of Public Parks has no objection to the proposed abandonments.

Enclosed is a map indicating the streets in question (outlined in red) and the nearest Department of Public Parks facility (outlined in green).

Sincerely,

Subject: Referral No. 2243 - Abandonment of Revere Place

Gentlemen:

The City Plan Commission at its December 16, 1987 regular monthly meeting, reviewed and evaluated the subject referral from your Committee on the proposed abandonment of Revere Place.

The petitioner is St. Sahag and St. Mesrob Armenian Apostolic Church represented by Attorney Arthur A. Thovmasian, Jr., of 600 Reservoir Ave., Cranston, RI. The petitioner owns all abutting Lots 691, 689, 688, 687, 699, 336, 639, 340, 698 and 692 on Assessor's Plat 68.

A field inspection revealed that Revere Place is a former paved right-of-way fenced off from Orms St. by a chain link fence and not used for any purpose for many years. All surrounding lots are vacant.

The petitioner is planning to build a community center on the grounds owned by St. Sahag and St. Mesrob Armenian Apostolic Church and the proposed abandonment is necessary to facilitate construction of aforesaid facility.

The Commission voted to advise the Committee on Public Works that no objection is offered to the proposed abandonment.

Sincerely yours,
