Committee on Public Works

SUBJECT: Referral No. 1946 - ABANDONMENT OF PORTION OF CROUT STREET

Gentlemen:

This petition from the Committee on Public Works proposes the abandonment of that portion of Crout Street which runs between Spruce Street and Trainor Street on Assessor's Plat 28.

Inspection revealed that Crout St. is a narrow roadway with a 12 Ft. width (exclusive of sidewalks). All adjoining parcels have egress on adjoining streets. The surrounding neighborhood is mixed commercial and residential and is in generally poor to fair condition.

This narrow lane has no important value as a thoroughfare. Therefore if all easements (if any) made necessary by utility lines are granted, and if other abutting property owners offer no objection, this department will have no objection from a planning standpoint to the proposed abandonment.

No objection is offered by this department to the granting of the petition.

Upon motion of Mr. Flynn seconded by Mr. Casey.

The Commission VOTED to offer no objection to the granting of this petition.

Sincerely yours,

  
Stanley Bernstein,  
Director
