City Clerk

Providence, Rhode Island

Dear Mr. Vespia:

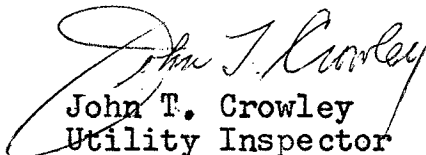

In regards to Resolution of the City Council #134, dated February 27, 1975 concerning that certain Pole #2 Salvan Street, please accept the following report.

Upon field investigation it was found that Pole #2 Salvan Street is not located in the City of Providence; but is located in North Providence.

Therefore, it would be impossible for me to replace the now existing incandescent light on the pole with a modern mercury vapor.

At this time, I would suggest that the petitioner contact the Town of North Providence for further assistance.

Very truly yours,

John T. Crowley
Utility Inspector
