Section 2. The Series A Bonds and the Series B Bonds were issued in the aggregate principal amount of \$50,000,000 pursuant to Chapter 116-2000 of the Public Laws of Rhode Island

enacted July 7, 2000 and Ordinance No. 551 (Chapter 2001-33), which was duly passed by the City Council on October 4, 2001. Proceeds of the Series A Bonds and the Series B Bonds, exclusive of accrued interest and underwriters' discount, were deposited in the capital fund, a separate account within the general fund of the City, to be used only in the manner and for capital improvements authorized by the said Ordinance No. 551 (Chapter 2001-33). The proceeds of the Series A Bonds and the proceeds of the Series B Bonds shall be deposited and maintained in segregated accounts or otherwise accounted for separately. Such proceeds may be invested as permitted by law.

Section 3. Pursuant to said Ordinance No. 551 (Chapter 2001-33) and the proceedings taken pursuant thereto by the duly authorized officers of the City, the proceeds of the Series A Bonds and the Series B Bonds, other than capitalized interest and the cost of issuance, were allocated to certain specific capital projects in accordance with said Ordinance No. 551 (Chapter 2001-33). However, with respect to a portion of such neighborhood improvement projects, in the amount of \$33,000,000 million, said Ordinance No. 551 (Chapter 2001-33) provided that the details thereof should be approved by the City Council. It is intended that this ordinance shall provide such approval.

proceedings authorizing the Series A Bonds and the Series B Bonds, \$26,755,000 of the proceeds of the Series A Bonds and the Series B Bonds and \$6,245,000 of the proceeds of the Series B Bonds are so appropriated. The details of neighborhood improvement projects shall be the construction, reconstruction, acquisition of or other improvement to the City-owned streets, sidewalks, lighting and similar infrastructure capital projects and redevelopment projects consistent with the proposition approved by the voters at referendum on November 7, 2000, provided however in no event shall the proceeds of the Series A Bonds be expended for any purpose inconsistent with the exemption from federal income tax of the interest on the Series A Bonds, and provided further that such improvements shall be apportioned equally among the 15 Wards.

Section 5. It is hereby determined that all such projects have an expected period of usefulness of at least 25 years.

Section 6. This ordinance shall serve as the final approval of the details of the neighborhood improvement projects required by Ordinance 551 (Chapter 2001-33). VETO MESSAGE OF HIS HONOR THE MAYOR

Communication from His Honor, Mayor Vincent A. Cianci, Jr., dated July 1, 2002, transmitting his Veto of an Ordinance entitled: "Providence External Review Authority (PERA)."

July 1, 2002

The Honorable Michael R. Clement
City Clerk
City Hall
Providence, Rhode Island 02903

Dear Mr. Clerk:

Pursuant to Sections 302(f) and 412 of the Providence Home Rule Charter of 1980, I hereby disapprove and veto the Ordinance entitled "Providence External Review Authority (PERA)." This Ordinance as drafted clearly seeks to set in motion a disciplinary procedure to address police misconduct.

Although I favor citizen review and participation in monitoring the comportment of police officers in carrying out their law enforcement duties, I am also fully cognizant of my responsibility as Mayor to see to it that an ordinance of this nature is consistent with

the provisions of the Home Rule Charter and existing statutory law.

At my request, the City Solicitor has examined the legal aspects of the ordinance vis-à-vis existing statutory law. He has advised me that a state statute, namely, the Law Enforcement Officers' Bill of Rights ("Bill of Rights"), is the exclusive remedy for police officers who are under investigation or subject to interrogation for any reason which can lead to disciplinary action, demotion and dismissal. The City Solicitor has further advised that the "Bill of Rights" delineates the procedural and substantive rights to which the law enforcement officer is entitled, including notice, a hearing at which he can present and cross-examine witnesses and the ultimate right to review by the Superior Court. As a result of his examination and analysis of the pertinent law, the Solicitor has counseled me that there clearly exists a conflict with the procedural and substantive provision of the "Bill of Rights" and the ordinance as adopted by the City Council.

Consequently, I am constrained to exercise my power to veto the Ordinance in its current form. To do otherwise would subject the city to engaging in an exercise in futility which would

be unnecessarily costly to the taxpayer and yet fail to effectively address the purpose of providing citizen oversight of police misconduct. However, I would approve an ordinance which conforms with the statutory provisions prescribed in the "Bill of Rights".

Respectfully submitted,

VINCENT A. CIANCI, JR.
Mayor of Providence

Received.
