Third Floor, City Hall  
Providence, RI 02903

Dear President Easton:

The Board of Directors of the Providence Convention Center Authority wishes to convey its sincere gratitude to the City Council for recent legislative action on your part which greatly assisted us in our efforts to prepare the property necessary for development of our new Convention Center.

The legislation concerned Zoning requirements permitting usage on a parcel of land that would be consistent with C-3 usage, and still allow us to proceed with the development.

On behalf of the entire Board of the Providence Convention Center Authority, we thank you.

Sincerely,

*Richard M. Oster*
