ATTENTION: This petition was conducted in the months of December and January of this year. The Rhode Island Jaycees decided to hold off on this goal temporarily because of city land ownership and the businesses stationery. Recently the Jaycees Honored Jack Gomley on June 2, 1978 but due to articles in The Providence Journal, remarks on the local talk shows on radio station Wice and the Dyer Street Occupants or Businesses inquiring about why the Jaycees did not change the name to our objective. So the Jaycees are continuing for their goal because the precepts of this Jaycee Organization is achieve the goals one has set and because of the many many members felt about this individual.

This petition consist of all the Businesses on Dyer Street and in the immediate vicinity and occupants too. Again, the Jaycees ask you for support on this matter.
