SUBJECT: Referral No. 1641 - ZONING CHANGE ON NORTHERLY SIDE OF LAURA STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Wednesday, September 6, 1967.

This referral is a request to change from an R-3 Multiple Residential Zone to a C-4 Heavy Commercial Zone Lot 202 on Assessor's Plat 49 located on the northerly side of Laura Street.

On an inspection and photographic survey it was determined that Lot 202 contained a 2½-story frame dwelling in fair to good condition. The surrounding area is in fair condition.

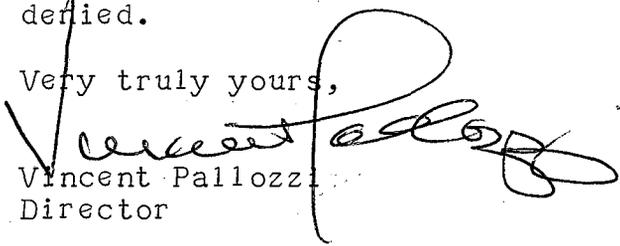

This lot is located in the South Elmwood G.N.R.P. Area which consists mostly of two- and three-family houses. The lot at present is divided into two zones C-4 Heavy Commercial and R-3 General Residence Zone. The proposed zone for this lot is that it be made R-3.

It should be noted that in the Master Plan for Recreation and Conservation this block has been designated as a possible site for the new Lexington Avenue School, neighborhood center and playground. At the present time it is not known how much of the block will be needed for the school and recreation site. Therefore,

The Commission

VOTED: To recommend that this petition be denied.

Very truly yours,
