Read and Passed the First Time and
Referred to Committee on Finance, on

PERSONAL PRIVILEGE

Councilman Easton requests and is granted the floor on a Point of Personal Privilege and speaks regarding a visit to his home by members of the Providence Police Department to check his notarization of his wife's signature on a recall petition and he felt that was an unnecessary use of the Police Department and intimidating on people trying to pursue their constitutional rights.

He asks his fellow Council Members to use their good offices to try to discourage this type of practice by the Police Department.

Councilman Griffin continues by stating, that he thinks it was perfectly legitimate. What they did, at that time, was perfectly legitimate. Now, the shoe is on the other foot — enjoy it.

Councilwoman DiRuzzo requests and is granted the floor on a Point of Personal Privilege stating that in her opinion the Council should not become involved on a personal basis. No member is above reproach when it comes to upholding the law.

Councilman Griffin requests and is granted the floor on a Point of Personal Privilege and speaks on Councilman Easton's reference about people who are being investigated by policemen needlessly. He further states last year, a young lady who was forcibly taken and searched in a very disrespectful way — she was investigated by the police. Hundreds of people, most of them who happen to be black over in the South Providence area were visited by the police. Nobody in this Council raised their voice to say it was intimidating. There were investigations all over the place, people were summoned to the Grand Jury, and in the end, it was found out that nobody had violated the law. Nobody stood up to raise their voice, and tonight Mr. Easton stands up to talk about somebody visiting his house.

Councilman Pitts requests and is granted the floor on a Point of Personal Privilege stating that he has no objections to the Police Department investigating a complaint, but when there is no complainant, the Police Department is out to intimidate. In this case there was no complaint.

He further states that there is no reason, whatsoever, for what happened in the City. It was absolutely disgusting and the worst travesty he has seen since becoming involved in the City Government.

ADJOURNMENT

There being no further business, on motion of COUNCILMAN GLAVIN, seconded by COUNCILMAN DILLON, the City Council adjourns at 8:55 o'clock (E.S.T.) to meet again on THURSDAY, DECEMBER 1, 1983 at 8:00 o'clock P.M. (E.S.T.).
