SUBJECT: REFERRAL NO. 468 - ZONING CHANGE LOCATED AT 434 TO 460 ATWELLS AVENUE

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Friday, January 30, 1953.

This referral is a request for a change in zoning from a C-1 Zone to a C-4 Zone; Lots 150 (4,984 sq. ft.), 508 (2,492 sq. ft.), 146 (2,492 sq. ft.), 145 (5,735 sq. ft.), and 144 (67 sq. ft.); located on Assessor's Plat 28 and containing a total of 15,370 square feet of land area. The properties in question are located on the southerly side of Atwells Avenue extending easterly from Knight Street to Marcello Street. The lots are occupied by one C-4 use, one C-2 use, and two C-1 uses. The area requested in the petition has too little depth from Atwells Avenue to be effectively used and is consequently bad zoning delineation.

Even if this change were advisable, it would require a further change to make the zoning conform to the established methods used on the zoning map. There appears to be little need for additional new C-4 uses in this vicinity, which is amply supplied with commercial zoning of various types. It is understood that the petitioner wants to add a story to his existing furniture store. This being so his proper remedy appears to lie with the Zoning Board of Review before which he should file a petition. Therefore,

The Commission

VOTED: To recommend to the Committee on Ordinances that this petition be denied.

Very truly yours,
