

# RESOLUTION OF THE CITY COUNCIL

No. 36

Approved January 13, 1984

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

Tremarco Corp., c/o Gulf Oil Corp., 35 Plainfield Street, Plat 105, Lot 416, install One (1) additional 2,000 gallon kerosene storage tank and one (1) pump, making a total Thirty-Five Thousand Four Hundred (35,400) gallons upon the premises and fourteen (14) pumps upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

THE COMMITTEE ON

PLANT WORKS  
Approves Passage of  
The Within Resolution

Chairman

December 14, 1935

The following is a copy of the report of the Committee on Plant Works, which was presented to the Board of Directors at its meeting on December 14, 1935. The report is in the form of a resolution, and it is recommended that the Board of Directors approve its passage.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

The Committee on Plant Works has the honor to acknowledge the receipt of the report of the Committee on the subject of the proposed resolution, and to express its appreciation for the thorough and complete manner in which the same has been handled.

For a full and complete understanding of the subject of the proposed resolution, it is recommended that the Board of Directors refer to the report of the Committee on Plant Works, which is attached hereto for their information.

IN WITNESS WHEREOF, the Chairman of the Committee on Plant Works has hereunto set his hand and the seal of the Committee on Plant Works at the City of New York, this 14th day of December, 1935.
