March 18, 1975

The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause "STOP" signs to be installed along Curtis Street at its intersection with Pelham Street.

Disposition: Denied. Because of the low traffic volumes and excellent accident history, no action is warranted at this time.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Frank A. Tibaldi".
Frank A. Tibaldi
Traffic Engineer
