A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

WHAT OUR DIRECTORIES CONTAIN

Railroads
City, County and State Depts.

Remember more than one half of the money spent on advertising yearly, goes for ads which are used for kindling purposes 48 hours after publication.

It is not so with Directory Ads

for they are bought to be used continuously throughout the entire year by the general public and business men alike.

Your ad is there on file, as in a ledger, indexed by the Classified Heading of the business in which you are engaged, and can be turned to immediately when wanted.

BUSINESS DIRECTORY

FOR THE YEAR COMMENCING MAY 1

1925

VOLUME LXXXV

Containing

habetical Section (Page 437) Gives names, occupations and addresses of all men wenty years old or over, women who carry on business, widows, and all business houses. Dates of deaths during the previous year are given, and where possible, the addresses of people who have moved to other cities. The names of partners in firms are given in this department, with much other information that cannot be found elsewhere.

siness Directory (Page 1263) All business houses, individuals in business for themselves, and professional men are listed without charge under the heading that best describes them. The more progressive houses, realizing that it pays to be easily found, pay a nominal charge for special listings in heavy type, under every heading where a buyer might look for them, cross-indexed to a descriptive space in the "reference section."

vertising Department (Page 101) Where more information than is possible to give under the headings is placed on file for buyer's and seller's reference. The value of this department cannot be estimated. It is an index of the best business interests of the city, and stands for them and the city in reference libraries all over the country, as well as on the desks of progressive business men. It is accessible to everybody, and the logical place to look for specific information. This probably explains why no other form of publicity is so generally endorsed by business men, as a glance at this department will show.

ap (Opposite) The clearest map ever made of the city, on a scale large enough to see, and small enough to be handled easily.

reet Directory (Page 53) A complete list of Streets, giving numbers at intersections, and enabling one to tell at once between what streets a given number lies, and the quickest way to get there.

An alphabetical list of Halls, Blocks and Buildings from which street and number may be found for addresses which only give name of a certain building.

Miscellaneous Information (Page 13) Organization of City Departments, giving officers—Cemeteries—Post Office branches—Parcel Post zones and rates—Churches and ministers—Societies, Institutions, etc., with officers—State officers and departments—U. S. officers and departments—Courts—Population tables, —Calendar, etc.

FOR THE YEAR COMMENCING MAY 1

VOLUME LXXXV

Containing

phabetical Section (Page 437) Gives names, occupations and addresses of all men twenty years old or over, women who carry on business, widows, and all business houses. Dates of deaths during the previous year are given, and where possible, the addresses of people who have moved to other cities. The names of partners in firms are given in this department, with much other information that cannot be found elsewhere.

siness Directory (Page 1263) All business houses, individuals in business for themselves, and professional men are listed without charge under the heading that best describes them. The more progressive houses, realizing that it pays to be easily found, pay a nominal charge for special listings in heavy type, under every heading where a buyer might look for them, cross-indexed to a descriptive space in the "reference section."

vertising Department (Page 101) Where more information than is possible to give under the headings is placed on file for buyer's and seller's reference. The value of this department cannot be estimated. It is an index of the best business interests of the city, and stands for them and the city in reference libraries all over the country, as well as on the desks of progressive business men. It is accessible to everybody, and the logical place to look for specific information. This probably explains why no other form of publicity is so generally endorsed by business men, as a glance at this department will show.

ap (Opposite) The clearest map ever made of the city, on a scale large enough to see, and small enough to be handled easily.

reet Directory (Page 53) A complete list of Streets, giving numbers at intersections, and enabling one to tell at once between what streets a given number lies, and the quickest way to get there.

An alphabetical list of Halls, Blocks and Buildings from which street and number may be found for addresses which only give name of a certain building.

Miscellaneous Information (Page 13) Organization of City Departments, giving officers—Cemeteries—Post Office branches—Parcel Post zones and rates—Churches and ministers—Societies, Institutions, etc., with officers—State officers and departments—U. S. officers and departments—Courts—Population tables, —Calendar, etc.

The Home of Good Directories

COMPILING DEPARTMENT

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation.

ADVERTISING DEPARTMENT

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

LIST AND LETTER DEPARTMENT

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate—That's the kind we make. We will also multigraph, address, stamp and mail your letters. All you need to do is to tell us your general plan. We will work out the details. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company about the City Directory, the book of many uses.

From this list, the location of any number on a street can be easily ascertained: as, for instance, wishing to know at what part of Westminster Street No. 1129 comes, you look at Westminster Street, and find that Knight Street runs from 1060 and Bridgham Street from 1191, showing that 1129 Westminster Street would come about half-way between Knight and Bridgham Street

The Return Circuit in Advertising

The circuit must be completed before the bell will ring
The Buyer must find the Seller before a Sale is made

Creative Advertising,—in newspapers, magazines, billboards, etc., tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

This Directory is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

Have you made it easy for Buyers to find ***You?***

INFORMATION

in the mass seems like a dull proposition but when we have a need of some person or thing nothing interests us more than getting information about that person or thing.

This directory looks like a big book to be walked around or fallen over or put out of the way, until you need some information that it contains—then it becomes the handiest thing around the place.

Has it ever occurred to you how much information you could get from this book, if you really knew how to use it?

There is a great mass of information here, arranged in a logical way that experience has shown most easily referred to. It does take a little study to know how to make full use, however, like anything else worth while.

A little study that opens up a new way to save time or increase accuracy is an asset to anyone. It may be you will find a lot of information you did not know was here before, that you would have spent a lot of time and trouble to find in other ways, and you will have increased your efficiency just that much. In buying, in selling, in shipping, correspondence, granting credit, sending bills, collecting money—

When you borrow a Directory you not only steal a little of *your friend's valuable time* but you are using a portion of *his capital for your business*, you are wasting some of your time, and you miss the satisfaction of the man who stands on his own feet. Better buy your Directory.

MONEY FOR YOU

For Every Legitimate Need!

WHEN you put your money in Morris Plan Investment Certificates, you provide a fund with which to meet emergencies. Certificates issued in $50, $100, $500 and $1,000 denominations; may be purchased for cash or on small weekly or monthly installments. They pay 5% annual interest.

When you want money in a hurry for business or domestic needs, we'll loan it at the low rate of $4 a year for each $50 borrowed. Repayments may cover a period of one year.

Why our Prices are Low

The value of a directory, like anything else, depends on the use made of it. The more people who use a directory the greater is the service it renders to the community, and the greater is its value as a co-operative reference advertising medium.

It has been our policy to keep our prices as low as possible for the high type of information service given, and even during the inflated war period we did not take advantage of conditions to make large increases as many did. That we were not obliged to do so proves that our previous policy was sound, also that as one of the oldest directory publishers, we have so served and educated the business men in our territory that the directory is generally used more widely than elsewhere, which is clearly shown by comparison with other cities.

A study of our prices will convince any business man that he is not being over-charged. An examination of any Sampson & Murdock Co. Directory will show the large value given, and after consideration of these two points no one should deny themselves a full year of directory usefulness on account of price.

The additional fact that there are over 14,000 individual advertisements in Sampson & Murdock Publications alone, shows to what extent they are accepted by progressive business men as the Catalog of their City, in which they naturally wish to be described.

When you see our name in a Directory you may be sure of these four things

1st.—Every effort has been made to secure accurate information.
(We employ men of experience and ability and insist on accuracy)

2nd—The price of the book is as low as the cost of production and a reasonable profit will allow.
(Compare prices with those of other directories from all over the country)

3rd—The Advertising Department is a fair representation of the best business houses of the city.
(A glance over the advertising section will prove this statement)

4th—The Advertiser gets more for his money than from nearly any other publication.

Largest Job Dyers of Yarn In the United States

All Classes of Colors from Ordinary Direct to Best

WE RECEIVE yarn on bobbins, tubes, cones or cops, dye it on Universal wound parallel tubes and return it to you, *without waste*, on these tubes or on cones.

We also receive worsted yarn on jackspools, dye it on our special perforated dyeing spools and return it to you on the original jackspools.

The Franklin Process eliminates skeins and long chains, thus reducing yarn waste to a negligible quantity. This saving is particularly important in the dyeing of fine count yarns. Here also we can probably save you considerable money in the cost of actual dyeing.

OUR YARN DEPARTMENT can afford you every facility for purchasing your gray yarn requirements through us if you so desire. This service saves you much bookkeeping and substantially reduces transportation costs.

IF YOU WISH TO DO YOUR OWN DYEING we are prepared to sell you Franklin Dyeing Machines.

The Home of Good Directories

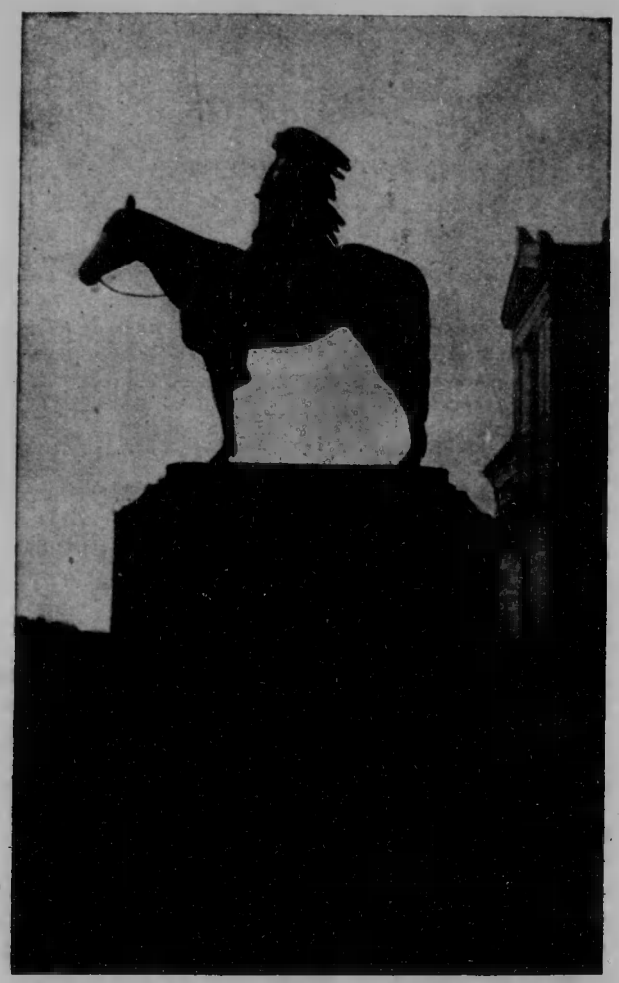
COMPILING DEPARTMENT

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation.

ADVERTISING DEPARTMENT

Put—"*We are listed in the Directory*" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

LIST AND LETTER DEPARTMENT



Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate—That's the kind we make. We will also multigraph, address, stamp and mail your letters. All you need to do is to tell us your general plan. We will work out the details. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company about the City Directory, the book of many uses.
