Information in the mass

seems like a dull proposition

but when we have a need

of some person or thing

nothing interests us more than getting information about that person or thing

---

This directory

looks like a big book to be walked around or fallen over or put out of the way, ***until*** you need some information it contains, and then it becomes the handiest thing around the place.

You can never tell when you are going to want to know something this book will tell you. When you do, you will probably be in a hurry. Why not spend a little time looking it over, so when the need arises you will know just where to look?

It may be you will find a lot of information you did not know was here before, that you would have spent a lot of time and trouble to find in other ways, and

you will increase your efficiency just that much

THE PROVIDENCE MUTUAL FIRE INSURANCE CO.
INCORPORATED 1800
29 WEYBOSSET STREET - - - Telephone GAspee 0909

A PUBLIC SERVICE PUBLICATION

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

CLASSIFIED BUYERS' GUIDE OF THE CITY OF PROVIDENCE

POWER OF ADVERTISING

The **City Directory** is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you!

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

Remember more than one half of the money spent on advertising yearly goes for ads which are used for kindling purposes 48 hours after publication.

It is not so with A City Directory Ad

for they are bought to be used continuously throughout the entire year by the general public and business men alike.

Your ad is there on file, as in a ledger, indexed by the Classified Heading of the business in which you are engaged, and can be turned to immediately when wanted.

FACTS!!

ABOUT CITY DIRECTORY CIRCULATION

The true value of advertising circulation is circulation consulted — "User Circulation."

To be exact by actual survey in twenty-four average American cities, by actual count, each city Directory averaged three and one-half consultations for each business day.

To be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.

For every thousand Directories sold there is an average of three and one-half daily consultations for each book for three hundred and five days, therefore —

$1000 \times 3\frac{1}{2} \times 305 = \mathbf{1{,}067{,}500}$

Consultations or "User Circulation"

The City Directory offers the most Specific Point of Contact Advertising Known

1. To consider, first, the interest should dedicate his best efforts to of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

POWER OF ADVERTISING

The City Directory is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you.

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

POWER OF ADVERTISING

The City Directory is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you.

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.
