POLK'S PROVIDENCE

Directory of Householders, Occupants of Office Buildings and Other Business Places

INCLUDING

A Complete Street and Avenue Guide

1941

Copyright, 1941, by R. L. Polk & Co.

Giving the location of Streets, Avenues, Parks and Places, and showing what other streets and places run from or across them.

A list of Householders and Business Places arranged in numerical order upon their respective streets, even numbers on left side with a few exceptions.

The streets are arranged in alphabetical order.

The symbol ◎ following the name of a householder, indicates that the house is owned by the person listed or by some member of the family.

This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

Business places are denoted by the street number printed in bold-face figures. When a person's place of business and residence are at the same place, it is indicated by the use both of bold-face figures for the street number and of the abbreviation h at the end of the line. Names preceded by light-faced figures and having no abbreviation after them are housekeepers.

* Shows building incorrectly numbered.

POLK'S PROVIDENCE

Directory of Householders, Occupants of Office Buildings and Other Business Places

INCLUDING

A Complete Street and Avenue Guide

1941

Copyright, 1941, by R. L. Polk & Co.

Giving the location of Streets, Avenues, Parks and Places, and showing what other streets and places run from or across them.

A list of Householders and Business Places arranged in numerical order upon their respective streets, even numbers on left side with a few exceptions.

The streets are arranged in alphabetical order.

The symbol ◎ following the name of a householder, indicates that the house is owned by the person listed or by some member of the family.

This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

Business places are denoted by the street number printed in bold-face figures. When a person's place of business and residence are at the same place, it is indicated by the use both of bold-face figures for the street number and of the abbreviation h at the end of the line. Names preceded by light-faced figures and having no abbreviation after them are housekeepers.

* Shows building incorrectly numbered.
