Please be advised, the Providence Parks Department would like to close the following public streets surrounding Kennedy Plaza on July 4, 1991. These streets would be closed at 6:00 AM and re-opened at 12:00 AM July 5, 1991. We are requesting the closing of these streets in order to assure public safety and to provide a vendor-exclusive area for the Celebration's sponsor, radio station WHJY.

This co-sponsored (WHJY and the Parks Department) event has been held in the same location for the past two years. WHYJ will be providing free-of-charge to the City of Providence, performers, advertising and fireworks. The value of these services is approximately \$20,000.00.

The streets we are requesting closed are:

Dorrance Street from Westminster to Fountain
Fulton Street from Eddy to Exchange Terrace
Exchange Terrace from Fulton St. to Fountain St.

RE: July 4 Celebration

Dear Mr. Rizzo:

The Parks Department and WHJY may co-sponsor the July 4 celebration in the downtown area. Moreover, they may be co-applicants for the license. That will allow you the exclusive right to hire the various vendors. This is essentially the same way in which this matter was handled last year.

In fact, this is the same manner in which both First Night and the India Point Festival have been handled in the past. With respect to blocking off streets, you should contact Attorney John D'Amico, Jr. of this office, who will handle presenting the petition to the City Council.

If you have any questions, don't hesitate to call me.

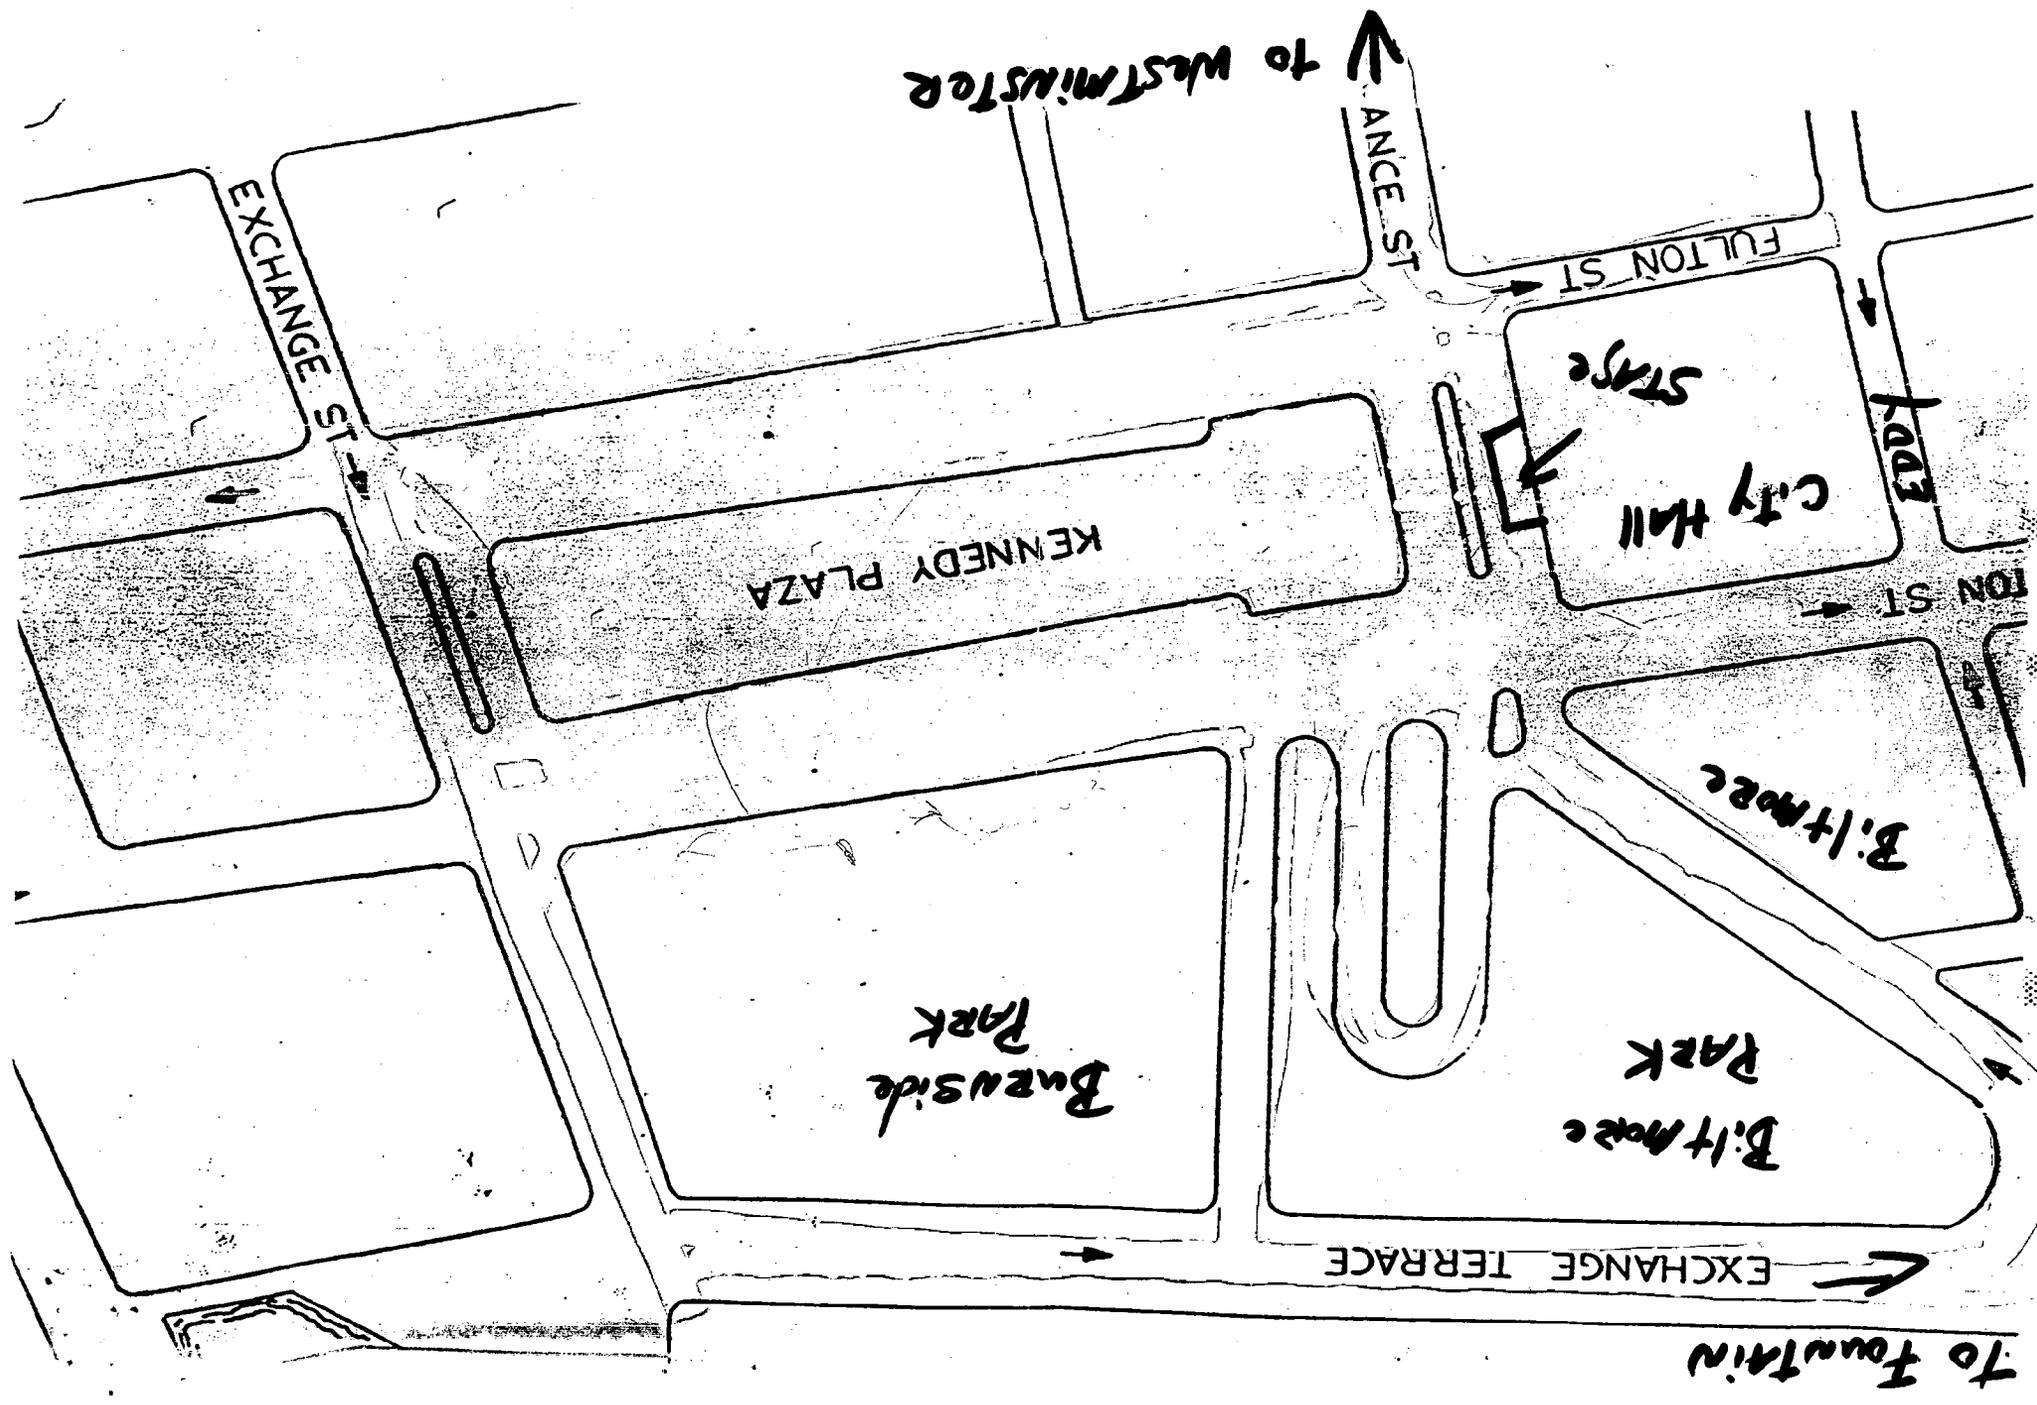

Thank you for your cooperation in this matter.

Very truly yours,
