CITY OF PROVIDENCE  
EXECUTIVE CHAMBER  
PROVIDENCE, R.I.

WALTER H. REYNOLDS  
MAYOR

July 8, 1963

To The Honorable  
The City Council  
City Hall  
Providence, Rhode Island

Gentlemen:

I wish to advise you of the following progress made upon the recommendations submitted by the Conaty Committee on June 6, 1963.

You will recall that the report's recommendations are in three general areas, "Hiring Practices", "Record-Keeping" and "Payment Procedures".

Under "Hiring Practices" the Committee included 13 of its total 28 recommendations. Of these 11 have either been already implemented or are in the process of implementation. One (no. 13) relative to preparation of a manual of personnel practices and a handbook of information for employees will require extensive research and drafting by an individual skilled in such matters. I intend to discuss this matter in more detail with the Conaty Committee. Another (no. 7) relative to flow of certain forms has been deferred also subject to further conference with the Conaty Committee upon necessary details.

Under the heading of "Record-Keeping" which contains recommendations 14 through 23 inclusive, 5 of these have already been implemented or are in preparation for implementation. The other 5 will require further discussion with the Conaty Committee for purposes of amplification.

Under "Payment Procedures" containing recommendations 24 through 28, 2 are being implemented and 1 is in the process. The remaining 2 having to do principally with the functions of the City Treasurer are being further explored.

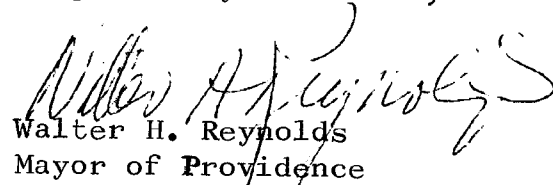

To: The City Council

DATE: July 8, 1963

I intend to meet with the Conaty Committee next week to discuss in detail those recommendations which have not been implemented and will inform you of further developments following this matter.
