SUBJECT: Referral No. 934 - ABANDONMENT OF GAY STREET, ASH STREET, WILLARD AVENUE
AND HILTON STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Wednesday, September 25, 1957.

This referral is a request for the abandonment of portions of Willard Avenue, Gay Street, Hilton Street and all of Ash Street.

On the field trip it was found that the said streets for abandonment are in a Redevelopment project.

In order to complete the site preparation work necessary prior to disposition of the project area to the City for its school facilities,

The Commission

VOTED: To offer no objection is offered to the abandonment of these streets which are in the Willard Center Project.

At present the construction of the school building is in its final stages and the playfield and parking area are now scheduled for construction in the near future. The Redevelopment Agency requires the abandonment of the subject streets to complete and close out its project.

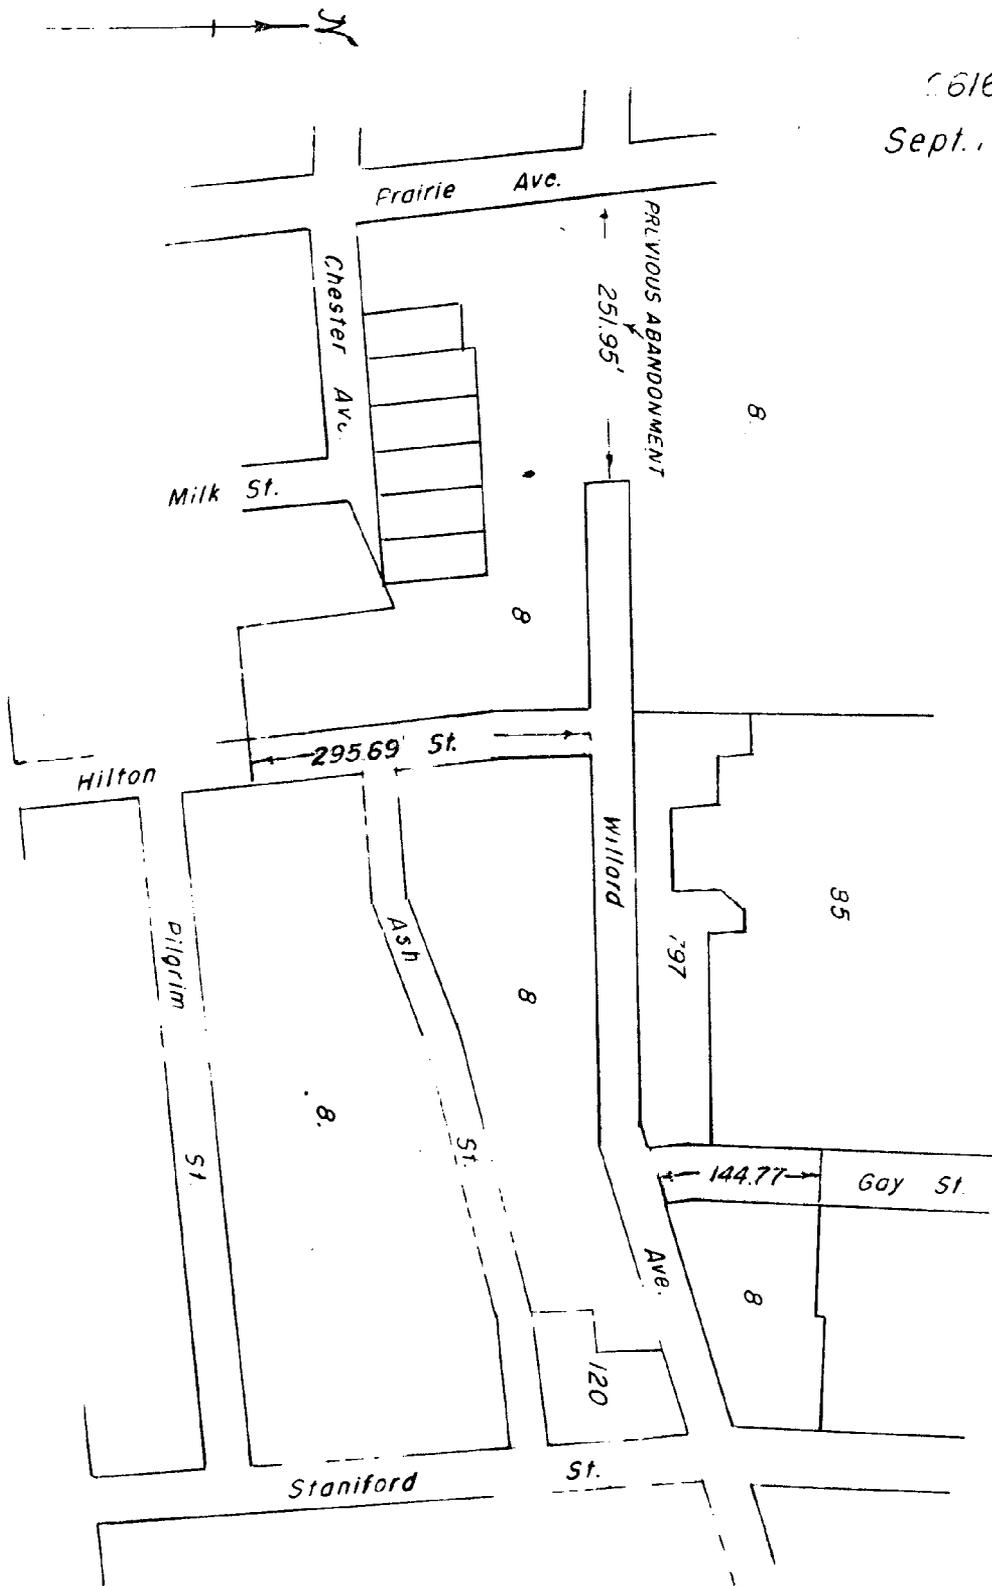

Very truly yours,
