PROVIDENCE PUBLIC MARKET

And its branches in Providence, Pawtucket and Worcester, are the Best Food Stores in America

When you see our name on a Directory you may be sure of these four things

1st.—Every effort has been made to secure accurate information.
(We employ men of experience and ability and insist on accuracy)

2nd—The price of the book is as low as the cost of production and a reasonable profit will allow.
(Compare prices with those of other directories from all over the country)

rd—The Advertising Department is a fair representation of the best business houses of the city.
(A glance over the advertising section will prove this statement)

4th—The Advertiser gets more for his money than from nearly any other publication.
(Our representative will gladly show you why)

The Home of Good Directories

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of over seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put—"We are listed in the Directory" in all your advertising copy. Addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise.

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate,—That's the kind we make. Ask us to tell you about this branch of our business.

Ask Sampson & Murdock Company
about the City Directory, the book of many uses.

The Return Circuit in Advertising

The circuit must be completed before the bell will ring
The Buyer must find the Seller before a Sale is made

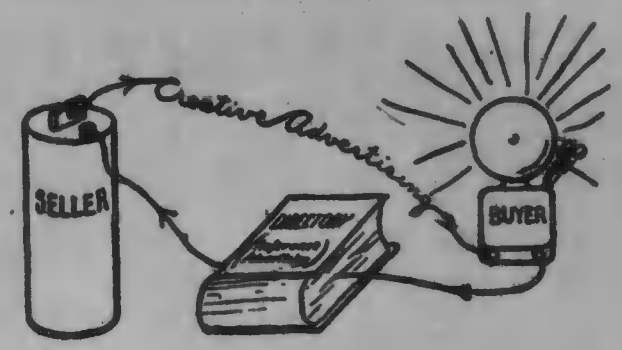
Creative Advertising;—in newspapers, magazines, billboards, etc. tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

This Directory is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

Have you made it easy for buyers to find ***You?***



Banks Are Organized to be of use to the community and to aid people to success in their business affairs.

This old, conservative bank is living up to these obligations, striving always to do its full duty to its patrons, and to be of service when a bank can be and ought to be helpful.

Morris Plan 5% Coupon Investment Certificates

Denominations $50, $100, $500, $1000

May be purchased for Cash or on a Weekly Payment Plan $1 a week for fifty weeks for each $50.

Starting at the very beginning, the Morris Plan embraced the idea of offering a safe investment to small investors — an investment paying 5% interest that could be purchased either for cash or on a weekly plan of payment. That gave the small investor a splendid opportunity to invest savings in a satisfactory manner.

These Coupon Investment Certificates have attracted not only the small investor, but large investors as well. The principal is well safeguarded and if necessary, these Certificates may be quickly liquidated or form the basis for a loan at 6% per annum.

The figure is impressive. Rounding out our 25th year, may we not point to it with pride? The growth of this institution is chiefly due to its encouragement of systematic savings, which has proved so financially beneficial to so many Rhode Islanders. A careful, conservative directorship and management has continuously aided in the substantial growth.

NO WONDER YOUR MAIL COMES BACK

You probably have been using that same old mailing list ever since you started business. Have you ever figured the cost to you in wasted postage, time and labor due to economy (?) in your mailing list appropriation?

The lists made for you personally by the List and Letter Service Department are compiled from the very latest sources of information and have as little "dead wood" as it is possible for a list to contain. No list can be absolutely perfect, but these come pretty close. Just state the kind you wish and the section to be covered and we will gladly quote you prices.

An Undying Record of Your Business

In a recent law suit involving many thousands of dollars the records of the Boston City Directories of 1870, 1871 and 1872 were accepted as reliable evidence. Such evidence is continually being quoted in important suits. How necessary that proper care should be used by responsible members of the firm that a record having such possibilities should be absolutely correct. It costs but a trifle to insert an advertisement giving all the details and on such a record may hinge in future the disposal of a fortune.

You have delinquent accounts. Isn't it a fact that your time is more valuable—could be put to better use—than "chasing dead ones"? You haven't the equipment—your debtors know it.

We have—they know that too

We offer a dignified service that gets results—that is paid for out of the money collected. Commissions as low as 10 per cent.

Every Wasted Minute Costs You Money

Whether it's your time or that of an inexpensive clerk that is wasted by using an out of date directory, the loss is yours.

In the course of a year the time wasted usually costs far more than the price of a new directory.

Misdirected parcels or messages cause expense and annoyance.

Cut out this leak. Order a new directory at once. It will pay you bigger dividends for the money invested than you realize.

THE CROWN COMPANY OF RHODE ISLAND GUARANTEES

That the Crown Fuel Saver will positively save at least 20% of the coal and still maintain higher average room temperatures over a period of twenty-four hours than were possible to be held with the same heating plant with fire-pot tightly closed before the Crown Fuel Saver was installed, providing of course, it is installed and operated as per instructions of the Company.
That it will give greater warmth with less coal used.
That more uniform heat will be kept day and night with less coal used.
That labor will be less.
That quicker response upon operation of draft dampers will result if proper depth of fire is maintained.
That finer ashes and fewer clinkers will result.
That more complete combustion will result through the use of the device.
And that there will be more heat with less coal used.

Over a Million Dollars to be invested in our combination savings and protection policy, in Rhode Island this year. Why? Because—

FIRST—This combination savings contract, pays $2,500, for death from any cause.
SECOND—It pays $5,000 or double the face of the policy, for death resulting from any accident.
THIRD—It pays $7,500, or three times the face of the policy, for death from travel accident.
FOURTH—It pays $25 weekly, for any accident for 52 weeks, after which the indemnity will be $12.50 per week, as long as the disability continues.
FIFTH—After you have made your savings deposits for ten, fifteen or twenty years, as you like, you will receive $2,500 cash.

Can a savings account do more? Then why should any one be satisfied with a contract that would do less? Strong and as safe as a Government Bond.
You can begin saving now, a small deposit will start you. Sold exclusively by

NAMES APPEARING IN BLACK LETTERS

in this Directory represent the ENERGY AND PUSH of the city, and it is a pleasure for the publishers of the Directory to have the opportunity to make the public acquainted with them through our pages. Those in BLACK LETTERS are the people who ACCOMPLISH THE WONDERS in business here and make the city what it is. They recognize and support all public necessities and things needful to improve and serve a city. They are NOT DRONES AND SPONGES who never support anything, and thereby gain by other's hard work and money. When you PATRONIZE THOSE IN BLACK LETTERS you patronize men and firms who will patronize you in the same broad manner in which you patronize them.

Only pure oak bark tanned leather is used in this quality of picker, and it is treated by a secret process, giving a maximum of resiliency in the cushion, or body where the shuttle strikes, which, it can be readily seen, represents the vital point of value in a loom picker.

The construction of this picker commends itself strongly. We should like to send samples.

Pawtucket A One-Newspaper City

The Pawtucket Times is located in a "one-newspaper city" and it has made good to the interests of its home people and those residing in the surrounding towns which make up its trade zone, to the extent that it has gained a paid for circulation exceeding 23,000 copies every evening. ***Pawtucket*** and the adjoining city of Central Falls have a population of about 90,000. It is easy to understand therefore, how thoroughly the ***Times*** covers its own city and the adjacent towns. In all 130,000 people are reached by ***The Pawtucket Times.*** It is liberally patronized by Providence merchants because it furnishes the only direct method of reaching a big army of out of town and ready purchasers. There is neither waste nor duplication in its circulation, and every copy possesses a recognized purchasing power efficiency.

Every Wasted Minute Costs You Money

Whether it's your time or that of an inexpensive clerk that is wasted by using an out of date directory, the loss is yours.

In the course of a year the time wasted usually costs far more than the price of a new directory.

Misdirected parcels or messages cause expense and annoyance.

Cut out this leak. Order a new directory at once. It will pay you bigger dividends for the money invested than you realize.
