Dear Mr. Clarkin:

The Freshman Orientation Program at Brown University begins on Tuesday, August 29, 1995 and ends with the Opening Convocation on Tuesday, September 5, 1995 the first day of classes.

AUGUST 29-30, 1995

With the majority of students arriving on August 29-30, I am requesting approval for the following traffic pattern on those dates to deal with congestion around the University area:

1. Wriston-Keeney Quad areas:
 - a) George Street one-way east from Magee to Thayer.
 - b) Charlesfield Street one-way west from Thayer to Brown Street.
 - c) Benevolent Street one-way east from Magee to Brown Street.
 - d) Brown Street one-way north from Charlesfield to George Street.
 - e) Post and enforce "NO PARKING" on the west side of Megee Street from George To Benevolent St.
2. Pembroke area:
 - a) Post south side of Bowen Street from Thayer to Brown Street "NO PARKING ANYTIME".

This traffic pattern should be established by 6:00 AM, on these days and we will provide officers to control points by 7:00 AM. The pattern should remain in effect until 6:00 PM on the above dates. Additionally, I would request that parking restrictions/tagging be lifted on most streets adjacent to the campus during this two day period.

SEPTEMBER 5, 1995

On Tuesday, September 5, 1995 the Opening Convocation will be held. In order to facilitate the safe movement of students on College Street from Benefit Street east through the Van Wickle Gates onto the College Green, I am requesting permission to block off vehicular traffic to the following streets between 10:45 and 11:45 AM on that date only:

1. College Street from Benefit east to the Van Wickle Gates at Prospect Street.
2. Prospect Street from Waterman to George Street.

Again, police officers from our Department would work control points to handle traffic.

Thank you for your assistance in this matter. For coordination with my Department, please contact Captain Richard Ziccardi at 863-3322 or 863-1268.

Sincerely,

Dennis L. Boucher
