Dear Mr. Carlone:

I was most sorry to read your letter of October 17, 1962 in which you tendered your resignation as a member of the Providence City Plan Commission because of your change of residence from Providence.

Speaking for all the citizens of the city of Providence allow me to say that your outstanding efforts as a member of the Providence City Plan Commission over the past seventeen years are deeply appreciated. Because of the dedication of you and the other fine gentlemen who comprised the City Plan Commission this community has benefited immeasurably through intelligent planning for future development. Dear Mayor Reynolds:-

It is with great regret that I tender my resignation as a member of the Providence City Plan Commission because of my change of residence from Providence.

May I take this time to thank you so very much for your personal interest and confidence in me. I consider it a privilege to have had the opportunity of serving on the City Plan Commission since its inception in 1945.

Many lessons have been learned in the process of planning and deliberating on the future growth of Providence. These lessons, I know, will guide me in my own field as an Architect.

Your interest in planning for the future of Providence is well known to all. I assure you that I, too, will be looking forward to the fruition of your efforts, as well as the efforts of all those connected with the programs under consideration.

The effective date of the acceptance of my resignation is left to your own judgment and convenience.

With best wishes for your personal success and good health, I am

Sincerely,

  
Lucio E. Carlone - AIA

Gentlemen:

We have completed our investigation at your request of the desirability of establishing a two hour parking time limit on Carrington Avenue between Camp Street and Hope Street.

Results of this study show only a minor amount of long term parking in this location. Therefore, we do not recommend the establishment of time limit parking on this street.
