

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 136

Approved March 9, 1981

WHEREAS, The City of Providence's current financial crisis is likely to lead to a significant increase in real property taxes payable by the taxpayers of the City of Providence; and

WHEREAS, The City's financial problems in part arise out of an absence of management economies and efficiencies in collection of revenue and provision of services and management of funds; and

WHEREAS, The Mayor's Financial Advisory Committee has recommended a management study of all city operations;

NOW, THEREFORE, BE IT RESOLVED, That the Committee on Finance of the City Council is hereby requested to advise the Mayor's Financial Advisory Committee that this Council requests that such a management study take place and that this Council will cooperate fully with the persons conducting such study and will advise all city department directors of this Council's support for said study and request their cooperation with same and that this Council requests the Rhode Island Public Expenditures Council and the Greater Providence Chamber of Commerce to commence organization of such study forthwith and indicate to this Council whether and to what extent an expenditure of City funds will be necessary to conduct such study.
