RE: Letter of Resignation

Dear Council President Miller,

With sincere gratitude, I am writing to formally resign from my position as City Councilor for the City of Providence representing Ward 2, effective September 1, 2025.

While I remain deeply committed to our community, personal circumstances now require my full attention and make it impossible to offer the time, energy, and presence this role deserves.

It has been an honor and a privilege to represent Ward 2 and all the residents of our city, and I am proud of what we have accomplished together over the past six years.

I thank my fellow Council members for their partnership and passion. I thank our city's residents for their belief, candor, and committed engagement. And I thank the many council staff, city staff and community advocates I've worked alongside: your work on behalf of our community is an inspiration.

I will remain a committed member of this community, and remain fiercely proud of our Providence.

Sincerely,

Helen D. Anthony
Councilwoman, Ward 2
