(Approved January 5, 1948.)

RESOLVED, That the following minute on the life and character of the late William H. Lovett, former Councilman whose death occurred on December 26, 1947, be and the same is hereby adopted, ordered inscribed on the records of this City Council and a copy transmitted to the family of the deceased.

MINUTE

William Henry Lovett, the son of the late Thomas and Ellen Lovett, was born in the Mount Pleasant section of Providence and lived there throughout his entire life.

He attended local public schools and for many years was employed by the Hanley Brewing Company where his interest in the labor movement earned him election to many offices in local and State circles of the American Federation of Labor. Following passage of the Volstead Act, he purchased a farm and engaged in the landscaping business. He was an enthusiastic sportsman with an especial fondness for horses, a stable of which he maintained until his death.

Mr. Lovett's personal popularity and his keen interest in civic affairs earned him election to the Common Council in 1916 from the old Tenth Ward and his continuous tenure of office became one of the longest in the history of our City. He was

elected to the Presidency of the Common Council and served with distinction during 1931-1932. He was a keen parliamentarian and his pleasant, good nature coupled with his witty repartee smoothed the way through many Council meetings that could have ended in an impasse. His work as a member of the Board of Contract and Supply and of various Standing and Special Committees earned him the respect and admiration of all with whom he served. He leaves behind a splendid record of public service.

The members of this City Council deplore the loss of such a popular and valued public servant and extend sincere sympathy to his bereaved family.

No. 93. Resolution Condemning Hostile Acts in Palestine.

(Approved February 20, 1948.)

Whereas, On November 29, 1947, the United Nations General Assembly in an historic action voted for the partition of Palestine. Since the vote, the Arab States, themselves members of the U. N., are deliberately engaging in aggression against the Jews of Palestine. Thus far neither the United Nations nor the United States has done anything to enforce the partition decision.

Whereas, We are, of course, grateful for the action taken by the United Nations on partition, and we appreciate the fact that the United States played the leading part in the deliberations of the U. N., but we cannot lose sight of the fact that unless the United Nations' decision is implemented, the action taken becomes mockery. As American citizens we fell free to call upon our government to take such action as will insure the success of the United Nations' partition plan.

We, therefore, as members of the City Council of the City of Providence resolve to request President Truman at the White House and Secretary of State George C. Marshall, State Department, Washington, urging them to support the following measures in the U. N.:

1. A stern warning to the Arab States calling for an end of the sabotage of the U. N. decision.

2. Immediate use of the proper U. N. agencies to provide international military protection for Palestine Jewry and make immediately available the necessary military force to implement the U. N. decision on Palestine.

3. Immediate equipment of the Haganah under U. N. auspices to enable this Jewish constabulary defense force to carry out police powers within Jewish territory in Palestine, and

Be It Further Resolved, That a copy of this Resolution be sent to the President and the Secretary of State: Senators J. Howard McGrath and Theodore Francis Green, Senate Office Building, Washington; Congressmen Aime J. Forand and John E. Fogarty, House Office Building, Washington; and Warren E. Austin, U. S. delegate to the United Nations, Lake Success, New York.

MINUTE

James Martin Gillrain was born in Providence June 22, 1866, a son of the late Martin and Mary (Goodwin) Gillrain. He attended Federal Street School, Classical High School and Brown University where he completed a Bachelor of Arts course in 1891, with honors, being elected to Phi Beta Kappa.

He was admitted to the Bar of the State of Rhode Island in 1893 and a year later received his Bachelor of Laws degree from Harvard Law School. For more than fifty-five years he practiced law in the City of Providence, specializing in equity and property law.

During his undergraduate days at Brown University he was instrumental in the formation of a college fraternity which has since become a national organization. It was in his room that Phi Kappa was founded and he maintained a life-long interest in it. He served as the first President of the original chapter, Alpha.

He was a brilliant scholar and while attending college was a teacher and principal of Providence Evening Schools. His interest in education led to his election to the School Committee from the old Tenth Ward which he served from 1895 to 1902, when he was elected to the Common Council. In 1918 he was

again elected to the School Committee where he served until 1925 when the old School Committee was abolished by the provisions of the Strayer Act.

Mr. Gillrain was elected Judge of the Police Court in February, 1944, where he served with honor and distinction until his death. He leaves a wide circle of friends among the members of the Bar who together with his acquaintances throughout Rhode Island have been the recipients of his kindliness and courtesy for many years.

The City of Providence and the members of the City Council mourn the loss of an able attorney, a civic leader and a steadfast friend.
