Dear Mr. Vespia:

This is in connection with the Resolution of the City Council requesting this Authority to install new door locks at Admiral Terrace and Chad Brown and to provide a Security Force for said projects, as set forth in your Memorandum dated January 23, 1968.

Please be advised that a program has already been started to replace the locks at said projects.

With respect to a Security Force for said projects, the Authority is prevented from setting up such a force by Federal regulation. However, we have endeavored to provide some security to the extent of our limited resources. We have been advised by the Federal agency supervising our operations that recent legislation has been enacted whereby Federal funds may be obtained for such purpose. Preliminary steps are being taken in the hope that this much needed security be put into effect.

Very truly yours,

Arthur Falcone
Executive Director

RECORDER OF DEEDS
CITY HALL

February 9, 1968

Mayor Joseph A. Doorley, Jr.
Executive Office
City Hall

Dear Mayor,

During the fiscal year, October 1, 1966 thru September 30, 1967, the office of the Recorder of Deeds received for record 11,310 documents.

Miscellaneous, Writs, Attachments, etc.	3459
Deeds	3626
Discharge of Mortgages	1525
Write-ins (Discharges)	448
Mortgages	2252
	<u>11,310</u>

A fee was charged for recording 10,156 documents which resulted in gross receipts of \$32,935.05.

It should be noted that we received for record 1078 documents from the office of Minimum Housing of the Department of Housing and Urban Development for which a fee was not charged. This is a sixteen per cent increase over the previous year. A fee should be charged for the recording of these documents. There is no other division of the City of State Government that does not pay a fee for their recordings.

With the increased costs of operations, our operating net cost was \$35,367.16.

Walter A. Lough
Recorder

Edward J. Loughran
Deputy Recorder

RECORDER OF DEEDS

I recommend an increase in recording fees, to enable us to operate more economically.

Fees for recording should reflect the total process of maintaining a record forever.

I feel that serious consideration should be given at this session of the General Assembly for the Recorders to receive a greater proportion of the State of R.I. Realty Transfer Tax to cover the additional work load in this office.

I advocate the acceptance of the City, of a computerized system of indexing to up-date and modernize the operations in this department.

Respectfully submitted,

Walter A Lough
Recorder of Deeds
