An Ordinance Approving and Adopting the Official Redevelopment Plan for West Broadway NDP Urban Renewal Area (1).

*Be it ordained by the City of Providence:*

Whereas, the Providence Redevelopment Agency (hereinafter sometimes called "Local Public Agency") pursuant to the provisions of Title 45, Chapter 31-33 (inclusive) of the General Laws of Rhode Island, 1956, as amended, entitled "Redevelopment Act of 1956," has formulated and submitted to the City Council on \_\_\_\_\_ for its consideration, an Urban Renewal Plan approved by the Local Public Agency, for an Urban Renewal Area which said Urban Renewal Plan is entitled, "West Broadway Redevelopment Plan, 1973-1974, N.D.P. Urban Renewal Area (1)" and comprises a report consisting of 35 pages of text, 3 exhibits and 6 maps; and

Whereas, a general plan has been prepared by the City Plan Commission and is recognized and used as a guide for the general development of the City of Providence as a whole; and

Whereas, the said Urban Renewal Plan con-

cerns itself with areas which have been designated Redevelopment Areas by the City Council of the City of Providence by Chapter 103 of the Ordinances of the City of Providence, approved July 6, 1948, as amended by Chapter \_\_\_\_\_ of the Ordinances of the City of Providence, approved \_\_\_\_\_, in conformity with the provisions of Section 22 of Chapter 1802 of the Public Laws of Rhode Island, 1946, as amended, and Title 45, Chapter 32, Section 4 of the General Laws of Rhode Island, 1956, as amended.

Whereas, a copy of said Urban Renewal Plan was transmitted to the City Plan Commission on July 18, 1973, and

Whereas, the City Plan Commission, which is the duly designated and acting official planning body for the City, has submitted to the City Council its report and recommendations respecting the Urban Renewal Plan for NDP Urban Renewal Area (1), and has certified that said Urban Renewal Plan conforms to the said general plan for the City as a whole, and the City Council has duly considered said report, recommendation and certification of the planning body; and

Whereas, the Plan indicates that an inspection of the dwelling units in the area by trained housing inspectors, using the "Appraisal Method for Measuring the Quality of Housing" developed by the American Public Health Association and recommended for use by the United States Public Health Service and supplemented by the Providence Building Code for all residential buildings and an evaluation of non-residential structures, performed by the inspectors of the Providence Building Inspection Department indicate that the area is a deteriorated blighted area under the provisions of Title 45, Chapter 31, Section 8 (4).

Whereas, the plan indicates that a survey, based upon a detailed inspection of 1452 of the 1509 structures within the said Urban Renewal Area (1) was made.

(1) Of the 1330 residential structures within Area (1), 1274 or 95.7% were inspected. These inspections revealed the following: basic dwelling deficiencies: 26.4% of the total number of the dwelling units inspected were found to have at least one basic deficiency in essential dwelling facilities. Basic deficiencies include serious deterioration, serious overcrowding, lack of dual egress, lack of sanitary facilities and serious inadequacies in lighting and ventilation. A basic deficiency indicates a serious violation of minimum standards for continued dwelling occupancy and building safety which ordinarily would justify removing occupants from the dwelling until the violation was corrected.

(2) Surveying the non-residential structures were investigators who were either inspectors of the Providence Department of Building Inspection and/or professional architects or engineers. In both instances, the same method of evaluation was employed.

Of the 179 non-residential structures surveyed, only 95 were found to be safe; 41 were found to be safe with few deficiencies; 10 were found to be safe with many deficiencies; 32 were found to be unsafe; and 1 non-residential structure scored incomplete.

Of the total number of 1509 structures in Area (1), 398 (26.4%) were found to be substandard, seriously deficient or unsafe.

Whereas, the plan as submitted contains a finding that the area included in the proposed Urban Renewal Plan qualified as a deteriorated area under the provisions of Title I of the United States Housing Act of 1949, as amended, (hereinafter sometimes called "Housing Act") and as a deteriorated blighted area within the meaning of the "Redevelopment Act of 1956" as amended to date, because there exist in the area buildings or improvements, used or intended to be used for living, commercial, industrial or other purposes, which by reason of (1) dilapidation, deterioration, age or obsolescence, (2) inadequate provision for ventilation, light, sanitation, open spaces and recreation facilities, (3) defective

design or unsanitary or unsafe character or condition or physical construction, (4) defective or inadequate street and lot layout, (5) mixed character, deterioration or shift of uses to which they are put, or any combination of such factors and characteristics are conducive to the further deterioration and decline of the area and to injuriously affect the entire area. The NDP Urban Renewal Area (1) is not restricted to, nor does it consist entirely of, lands, buildings, or improvements which of themselves are detrimental, but is an area in which such conditions exist, and injuriously affect the entire area.

Whereas, the Providence Redevelopment Agency has prepared a plan for the relocation of families that may be displaced as a result of carrying out the Project in accordance with said Urban Renewal Plan and has submitted to the City Council a Relocation Plan for the Project identified as West Broadway NDP Urban Renewal Area (1); and

Whereas, there have also been presented to the City Council information and data respecting the Relocation Plan which have been prepared by the Providence Redevelopment Agency as a result of studies, surveys and inspections in NDP Urban Renewal Area (1) and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

Whereas, the members of this Body have general knowledge of the conditions prevailing in NDP Urban Renewal Area (1) and of the availability of proper housing in the locality for the relocation of families that may be displaced from NDP Urban Renewal Area (1) and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed said Relocation Plan; and

Whereas, under the provisions of Title I of the Housing Act of 1949, as amended, the United States Department of Housing and Urban Development is authorized to provide financial assistance to local public agencies for undertaking and carrying out urban renewal projects; and

Whereas, the Providence Redevelopment Agency has applied for financial assistance under said Housing Act and has entered into a planning contract for financial assistance under said Act with the United States of America, acting by and through the Secretary of the Department of Housing and Urban Development, pursuant to which Act Federal funds have been provided for the project; and

Whereas, the Providence Redevelopment Agency has applied for additional financial assistance under the Housing Act and proposes to enter into an additional contract or contracts with the Department of Housing and Urban Development for the undertaking of, and for making available additional financial assistance for NDP Urban Renewal Area (1); and

Whereas, it is provided in said Act that contracts for financial aid under the Housing Act shall require that the Urban Renewal Plan for NDP Urban Renewal Area (1) be approved by the Governing Body of the locality in which the Project is situated and that such approval include findings by the Governing Body that (1) the financial aid to be provided in the contract is necessary to enable the land within NDP Urban Renewal Area (1) to be redeveloped in accordance with the Urban Renewal Plan; (2) Urban Renewal Plan for the Urban Renewal Area in the locality as a whole provide for the redevelopment of such areas by private enterprises; and (3) the Urban Renewal Plan conforms to a general plan for the development of the locality as a whole; and

Whereas, there has also been presented to the City Council information and data respecting Urban Renewal Plan for the Urban Renewal Areas in the City of Providence including the following: Capital Improvement Programs for 1950-1956, 1951-1957, 1952-1958, 1953-1959, 1954-1960, 1955-1961, 1956-1962, 1957-1963, 1958-1964, 1959-1965, 1960-1966, 1961-1967, 1962-1968, 1963-1969, 1964-1970, 1965-1971, 1966-1972, 1967-1973, 1968-1974 and the Annual Reports of the Providence Redevelopment Agency for 1948 through 1967 (inclusive); and

Whereas, at a public hearing held on following notice of the date, time, place and purpose of such hearing, the City Council Committee on Urban Redevelopment, Renewal and Planning duly considered the Urban Renewal Plan, and all evidence and testimony for and against the adoption of such Plan, in accordance with the provisions of the "Redevelopment Act of 1956"; and

Whereas, said Urban Renewal Plan for the Project Area prescribes certain land uses for NDP Urban Renewal Area (1) and will require, among other things, but not by way of limitation, the widening, vacation and removal of streets, the construction and installation of streets, curbs and sidewalks, grading and other public facilities and other public actions; and

Whereas, it is necessary that the City Council take appropriate official action respecting the Relocation Plan and said Urban Renewal Plan for NDP Urban Renewal Area (1), in conformity with the requirements of the "Redevelopment Act of 1956" and the contract or contracts for financial assistance between the Providence Redevelopment Agency and the United States of America acting by and through the Secretary of Housing and Urban Development;

Whereas, the Official redevelopment plan for the West Broadway Project was approved on September 11, 1972, by Ordinance Chapter 1972-47 No. 335 entitled, "An Ordinance Approving and Adopting the Official Redevelopment Plan for the West Broadway NDP Urban Renewal Area (1)"; and

Whereas, no action has been taken on said plan by the City of Providence, the Providence Redevelopment Agency or the United States of America acting through the Department of Housing and Urban Development for the reason that federal funds to implement such urban renewal plan have not been paid over to the Providence Redevelopment Agency; and

Whereas, the United States of America acting

through the Department of Housing and Urban Development has requested the Providence Redevelopment Agency to submit another plan in place of the Official Redevelopment Plan for the West Broadway NDP Urban Renewal Area (1) approved September 11, 1972;

*Now, Therefore, Be It Ordained by the City of Providence:*

*Whereas*, President Nixon has proposed an increase in gasoline taxes as an alternative to gasoline rationing, and

*Whereas*, an increase in gasoline taxes will work an undue hardship on the average individual, particularly the person who must use motor vehicles, and

*Whereas*, if controls are to be imposed upon domestic oil and gasoline consumption controls should first be imposed upon the export of oil, gasoline and other petroleum products; and

*Whereas*, the first obligation of the government of the United States of America and the American Oil Industry should be primarily directed toward the betterment of domestic fuel conditions.

*Now, Therefore, Be It Resolved, by the City Council of the City of Providence, Rhode Island* That the rationing of gasoline and/or the increased taxation of domestic oil and gasoline be reserved until the export of oil and gasoline be eliminated or reduced and instituted only if the reduction or elimination of oil and gasoline exports does not favorably alter the fuel crisis, and

*Be It Further Resolved, That the President of*

the United States of America exhaust all efforts to relieve the domestic user of oil and gasoline from prohibitive taxation by reducing and/or eliminating the export of oil and gasoline; and that the City Clerk is hereby directed to forward a duly certified copy of this Resolution to President Nixon, the Congressional Delegation from the State of Rhode Island and Governor Philip W. Noel.
