Dear Vincent:

After an exhaustive study concerning Resolution No. 227, approved April 23, 1969, it is my opinion that the authority for issuing parking violation tags is properly under the control of the Commissioner of Public Safety, and is from my investigation, being effectively handled by this Department.

It is my opinion therefore that there is no need for deputizing employees in the Traffic Engineering Department for the purpose of issuing parking violation tags.

Very truly yours,

ROBERT J. McOSKER,
CITY SOLICITOR
