SUBJECT: Referral No. 993 - ZONING CHANGE AT 125 PLAINFIELD STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, June 10, 1958.

This referral is a request for a change in zoning from a C-4 Zone to an M-1 Zone Lot 392 on Assessor's Plat 105 located on 125 Plainfield Street. The area in question contains 7,128 square feet.

On the field trip it was found that the area in question is occupied by a service station and a vacant two-story wooden dwelling.

There is more than ample M-1 Zoning in this area, no additional industrial zoning in this area is warranted and the proposed change would adversely affect the surrounding properties. Therefore,

The Commission

VOTED: To recommend that this petition be denied.

Very truly yours,

FRANK H. MALLEY

SUBJECT: Referral No. 1004 - ZONING CHANGE ON MANTON AVENUE AT
DYERVILLE POND

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, June 26, 1958.

This referral is a request for a change of zoning from an R-2 Zone to a C-4 Zone Lot 48 on Assessor's Plat 34 located on the southerly side of Manton Avenue and bordering on Dyerville Pond. The area in question contains 88,521 square feet.

On the field trip it was found that the area in question is vacant with the exception of vegetation.

In view of the fact that the City Council, in 1955, over the objection of the Commission changed to C-4 zoning a large area adjoining the instant petition, the long-range recreation possibilities have been seriously jeopardized and,

The Commission

VOTED: To offer no objection to the granting of this petition.

SUBJECT: Referral No. 1014 - ZONING CHANGE WITHIN OR ADJOINING THE
WILLARD CENTER UNIT ONE AND WILLARD
CENTER UNIT TWO PROJECT AREAS D2-A1
AND D2-A2 RESPECTIVELY

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, July 22, 1958.

This referral is a request for a change of zoning from C-2, C-4 and M-1 Zones to an R-4 Zone the area within or adjoining the Willard Center Unit One and Willard Center Unit Two Project Areas D2-A1 and D2-A2 respectively.

On the field trip it was found that the area in question is at present vacant.

The proposed zoning change is to make the area comply with the Re-development Plan for Willard Center Unit Two. The predominant adjacent zoning is R-4 and the playground should be so zoned. Therefore,

The Commission

VOTED: To offer no objection to the granting of this petition.

SUBJECT: Referral No. 1005 - ZONING CHANGE AT VALLEY AND NEWARK
STREETS

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, June 26, 1958.

This referral is a request for a change of zoning from an R-4 Zone to a C-4 Zone Lot 74 on Assessor's Plat 65 located at the corner of Newark and Valley Streets. The area in question contains 3,226 square feet.

On the field trip it was found that the area in question is occupied by a 3½-story dwelling and a vacant store.

There is more than ample C-4 zoning in this area, no additional commercial zoning is warranted and the proposed change would adversely affect the surrounding properties. This change will also create more of a traffic problem along Valley Street. Therefore,

The Commission

VOTED: To recommend that this petition be denied.

Very truly yours,

FRANK H. MALLEY
