

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 58

Approved February 12, 1981

RESOLVED, DECREED AND ORDERED

That the following named street shown as cross-hatched area on the accompanying plan entitled "Providence, Rhode Island, Department of Public Works - Engineering Office, Street Line Section Plan No. 064132, dated December 19, 1980",

VIZ:

Manning Street, for one block between Thayer and Brook Streets shown as cross-hatched area on the accompanying plan and designated by the letters (A-B-C-D-A), having ceased to be useful to the public and is proposed to be abandoned as a Public Highway, subject to the petitioners conveying easements acceptable to the following; The Water Supply Board to secure a permanent easement equivalent to present street width and length; Narragansett Electric Company be permitted the retention of their facilities in existing locations on said streets, together with the right to inspect, maintain, operate and replace the same; Providence Gas Company be permitted the right to inspect, improve and maintain their present facilities at all times; and that the Department of Public Works is provided a full sewer easement; and the damage to the abutters is appraised at nothing and so awarded, and it is further

ORDERED, That the Director of Public Works be and he is hereby directed to cause a sign to be placed on the above-named highway abandoned as aforesaid, having thereon the words, "Not a Public Highway", and it is further

ORDERED, That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper published in the County of Providence at least once a week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which have been abandoned, who is known to reside within the State.

Committee on Public Works
City Clerk's Office
City Hall
Providence, Rhode Island

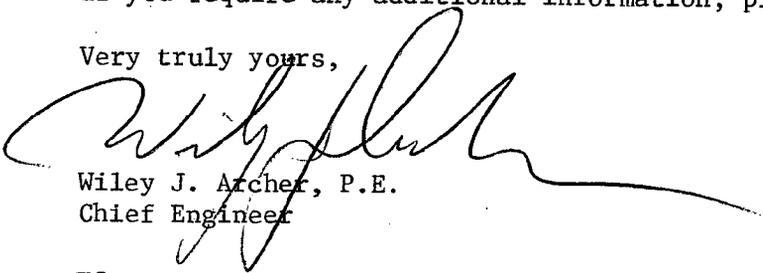

Dear Councilman Flynn:

On September 24, 1980, this department received from the City Clerk a memorandum and a copy of petition to abandon a portion of Manning Street, for one block between Thayer and Brook Streets.

We have checked into this request and find that in the portion of Manning Street to be abandoned we have a 6" C.I. water main which is feeding three (3) active water services on Brook Street, namely house #15, 20, and #358. For this reason we cannot abandon this section unless we secure a permanent easement equivalent to present street width and length. This area must be accessible to us at all times for any repair work necessary.

If you require any additional information, please advise.

Very truly yours,

Wiley J. Archer, P.E.
Chief Engineer

c/o Department of City Clerk
City Hall
Providence, R.I. 02903

Re: Referral No. 2036 - Abandonment Portion of Manning Street

Gentlemen:

The City Plan Commission at its October 28, 1980 regular meeting evaluated the petition for the abandonment of that portion of Manning Street from the westerly side of Brook Street to its westerly termination at the easterly side of Thayer Street. This petition was submitted by Brown University. The blocks adjoining each side of that portion of Manning Street in question are owned by the petitioner, Brown University.

A field inspection revealed that the portion of Manning Street from Brook Street to Hope Street was abandoned in 1964 for the construction of the Physics and Engineering Complex. The portion of Manning Street in question has become the only remaining portion of its westerly termination and is an improved public right-of-way. There are structures at both sides of the street and they are used for academic purposes by Brown University. The major users of this street are the University personnel and its students. The abandonment of this portion of the street will neither affect the traffic circulation pattern of this area nor any property other than that of the petitioner. Therefore,

The Commission

Voted: - No objection is offered to the proposed street abandonment.

Very truly yours,

Stanley Bernstein
Director

Att: Committee on
Public Works

Gentlemen:

The Chief of the Fire Department has advised me that no problem will be presented for the Fire Department if the abandonment of Manning Street, between Brook Street and Thayer Street, is granted.

I am generally not in favor of public highway abandonments where such public highways are in use by the public. In this instance, Manning Street is still used by the public and affords some parking spaces as well as an alternative route from Brook Street to Thayer Street and thence to other streets. I strongly urge that this matter receive serious attention from the Council persons in the ward.

Yours truly,

Sanford H. Gorodetsky
Commissioner of
Public Safety

Providence, Rhode Island 02901

January 14, 1981

Committee on Public Works
Honorable City Council
City Hall
Providence, Rhode Island

Subject: Petitions to abandon portions of Hanover, Manning and
Williams Street

Dear Sirs:

The Narragansett Electric Company presently has overhead electrical facilities on each proposed abandoned portion of the subject streets, including poles and wires for streetlighting on Hanover and Manning Streets (necessary if area lighting is required upon abandonment), a guy stub and guy wires on Williams Street which support pole lines on Gano and Williams Streets and guy wires on Hanover Street which support outrigged crossarms on Hanover Street at Dexter Street.

However, The Narragansett Electric Company will not object to the granting of said petitions, provided that in the event the petitions are granted, the Petitioners will convey easements acceptable to The Narragansett which will permit the retention of our facilities in existing locations on said streets, together with the right to inspect, maintain, operate and replace the same.

Very truly yours,
