Re: Providence Anticipation Notes

Dear Mr. Juchnik:

Enclosed please find a draft Ordinance and draft Resolution with respect to the above notes. The Ordinance should be placed on the docket of the next City Council meeting for its first reading. Once the Ordinance has received a Chapter number, that number should be inserted into the Resolution at those points where a cross-reference to the Ordinance is made. Both the Ordinance and the Resolution should be placed on the docket of the following meeting of the City Council for passage. At that meeting the Ordinance should be introduced and passed prior to the Resolution.

If either you or Mr. Bernardo have any questions or comments with respect to the Ordinance or the Resolution, please do not hesitate to contact me.

In examining the documents which you have already sent me with respect to the notes, I have already noticed that there are a few additional items which we will require. I hope to send you a list of these items early next week; I am forwarding the Ordinance and Resolution now so that the Ordinance will be sure to be available to be placed on the docket for the next meeting of the Council.

Very truly yours,

*Thomas M. Leahey*
