COMMISSIONER OF PUBLIC SAFETY  
209 FOUNTAIN ST., PROVIDENCE 3, RHODE ISLAND

August 5, 1964

To the Honorable the City Council of Providence

Gentlemen:

I have the honor to report to your Honorable Body relative to a resolution pertaining to the feasibility of assigning a school crossing guard at Hope Street and Mount Hope Avenue.

This resolution was received on June 9, 1964, too late to conduct a valid analysis of conditions at this particular corner. However, for several months, the Police Department has been making a comprehensive city wide survey of the problem and in another month or two the results should be available.

At that time we will re-examine this resolution in the light of the survey conclusions.

Respectfully submitted,

*Francis A. Lennon*  
Commissioner of  
Public Safety

Honorable City Council  
City Hall

Gentlemen:

We have received your request for "STOP" control at the intersection of Killingly Street and Sunset Avenue.

We recently completed an investigation of conditions at this location. Because of the excellent visibility and good accident record at this location, we do not recommend that the existing "YIELD" control be changed to "STOP" control.

Very truly yours,

Roger T. Chandler  
Traffic Engineer
