IN AMENDMENT OF CHAPTER 680 OF THE PUBLIC LAWS OF 1925 ENTITLED, "AN ACT RELATING TO THE MANAGEMENT AND SUPPORT OF THE PUBLIC SCHOOLS OF THE CITY OF PROVIDENCE", AS AMENDED, AND PROVIDING A REFERENDUM ON THE MANNER OF SELECTING THE SCHOOL COMMITTEE OF SAID CITY.

WHEREAS, The city of Providence maintains the largest school system in this state, and

WHEREAS, Such a large system demands that the operation of said system be united with fiscal control thereof, and

WHEREAS, Two alternative methods of achieving this union, each of which appears to achieve the desired result, have been proposed, therefore:

IT IS ENACTED BY THE GENERAL ASSEMBLY as follows:

SECTION 1. At a special election to be held at the direction of the city council as set forth in section 2, there shall be submitted to the qualified electors of the city of Providence, the following propositions:

"Method of selecting school committee - taxing powers -

If you favor a school committee appointed by the mayor, subject to confirmation by the city council, vote for 'Proposition A.' If you favor an elected school committee having the power to impose a tax on ratable property vote for 'Proposition B.'"

The ballots and ballot labels used in said referendum shall be so labeled that it is possible to indicate approval only of one of said propositions.

SEC. 2. The proposition contained in section 1 of this act shall be submitted to the qualified electors of said city of Providence at a special election

to be held prior to September 30, 1968 to be designated by the city council by resolutions adopted prior to September 1, 1968; or at the next general election.

The board of canvassers of the city of Providence shall forthwith, after said election, notify the secretary of state of the result of the vote upon the question submitted.

The polling places shall be designated by the board of canvassers and shall be open from the period of 10:00 a.m., until 9:00 p.m., and the election shall be held in conformity with the election laws of the state of Rhode Island; provided, however, that the board of canvassers may combine the districts in this election when the eligible voters of a district do not exceed five hundred (500).

SEC. 3. Sections 9 and 11 of chapter 680 of the public laws of 1925 entitled "An act relating to the management and support of the public schools of the city of Providence" are hereby amended to read as follows:

"SEC. 9. The school committee shall have the power to raise such sums of money as is necessary for the support of the public schools by assessing taxes to cover such support independently of the city council. Such assessment shall be in an amount which shall include payments of interest or payments of principal on indebtedness incurred for school purposes or for the improvement of same or for land acquisition or construction of school buildings or additions thereto for the furnishings of new buildings or additions to buildings erected or buildings appropriated for school purposes or for the promotion of school health. The assessment and collection of taxes assessed under this section shall be governed by the provisions of the appropriate laws relating to the assessment and collection of taxes provided, however, that the assessor shall

certify a separate tax role for the school assessment and the collector shall send out separate notices."

"SEC. 11. The school committee from time to time shall present in writing to the city council its recommendations as to the general location and as to the plans and specifications of new school buildings or of additions to existing school buildings and as to the acquisition and appropriation to school purposes of existing buildings and as to the furnishing of new buildings or additions to buildings erected for or buildings newly appropriated for school purposes, and shall state its estimate of the cost thereof, and shall also state whether said expenditures shall be financed from current operating budgets or from the sale of bonds. If such recommendation calls for the sale of bonds, the city council shall within three months after such presentation inform the school committee of its approval or disapproval of such recommendations. If the city council approves such recommendations, it shall proceed to carry out the same. If the city council disapproves such recommendations, it shall at the next biennial election occurring not less than three months after such disapproval cause to be submitted in manner following to the electors of the city of Providence qualified to vote in the election of the city council, the question of the approval or disapproval of such recommendations, - that is to say, - the board of canvassers and registration shall cause to be printed twice a week for the three weeks next proceeding such election in at least three daily newspapers published in the city of Providence the recommendations in question except any plans and specifications included or referred to therein and shall cause one or more copies of any such plans and specifications to be available for public inspection in its office during all

of said three weeks. Said board of canvassers and registration shall cause to be printed upon the ballots to be used in said election (inserting after word "dated" the proper date) the question: "Shall the recommendations of the school committee to the city council dated \_\_\_\_\_ and disapproved by the city council be approved?" and at the right of said question there shall be a square in which shall be printed the word "Yes", and under such square there shall be another square in which there shall be printed the word "No", and at the right of each of said words there shall be sufficient space in which the elector may indicate his approval by a cross (X) mark at the right of the word "Yes", or his disapproval by a like mark at the right of the word "No". If a majority of the qualified electors voting on said question at such election shall vote "Yes", the city council shall proceed to carry out such recommendations. The votes on said question shall be counted, ascertained and declared by the same officials and in like manner as the votes for candidates for the general officers in said city are required to be counted, ascertained and declared. If at any time before such election the school committee shall certify to the city clerk and to the board of canvassers and registration the withdrawal of such recommendations, all proceedings for the submission of such question to said electors shall forthwith cease. If at any time before such election the city council shall withdraw its disapproval and approve said recommendations, all proceedings for the submission of such question to said electors shall forthwith cease and the City Council shall proceed to carry out the recommendations thus approved. The school committee shall annually reimburse the city of Providence sums sufficient to cover the cost of bond indebtedness in accordance with the provisions of section 9 of this act.

SEC. 4. Section 13 of chapter 680 of the public laws of 1925 entitled, "An act relating to the management and support of the public schools of the city of Providence", is hereby repealed in its entirety.

SEC. 5. Within the city of Providence there shall be a school committee which shall have such powers and exercise such duties as heretofore have been vested in and exercised by the Providence school committee, except as herein otherwise provided.

SEC. 6. As soon as may be after the effective date of this section, the mayor of the city of Providence, with the approval of the city council, shall appoint a school committee which shall consist of nine (9) members, who shall be appointed at large and who shall serve concurrently until the first Monday in January, 1969.

No person shall be eligible for appointment to the committee unless he is a resident and qualified voter of the city of Providence.

From and after the appointment and qualification of the members of the school committee under the provisions of this act, the school committee of the city of Providence as constituted under the provisions of any law in force at the time of the passage of this act, shall be abolished and the terms of office of the members thereof shall cease and determine.

SEC. 7. On the first Monday in January, 1969, or as soon as may be thereafter, the mayor, with the approval of the city council, shall appoint three (3) members of the school committee to serve for terms of two (2) years, three (3) members to serve for terms of four (4) years, and three (3) members to serve terms of six (6) years. Thereafter the successors to said members shall be appointed by the mayor, with the approval of the city

council, to serve terms of six (6) years.

All members of the school committee shall hold their respective offices for the term or terms for which they are respectively appointed and until their successors are duly chosen and qualified, and all vacancies shall be filled by the mayor with the approval of the council for the remainder of the unexpired term. Vacancies may be created by death, resignations or inability to perform the duties of the office.

**SEC. 8.** Members of the school committee shall receive a salary, the amount of which shall be fixed by ordinance of the city council. The members of the school committee shall be ineligible to hold any other civil office, except that of notary public; shall also be ineligible for employment or appointment by the school committee, and shall not be financially interested directly or indirectly in any contract concerning public schools.

**SEC. 9.** As soon as may be after its appointment and qualification, and after every appointment to said committee, the school committee shall meet and shall elect one (1) of its members as chairman, one (1) of its members as vice chairman, and one (1) of its members as secretary.

The school committee shall adopt rules and regulations for the conduct of its business. The secretary may employ such clerical assistants as the school committee may direct. The school committee shall elect the superintendent of schools for a term not exceeding five (5) years as it may see fit; provided, however, that this shall not be deemed to impair or affect any tenure of the superintendent of schools in office at the time of the passage of this act.

The superintendent of schools shall have such authority and duties as the school committee may determine, and as shall be prescribed by law. His salary shall be fixed by the school committee.

SEC. 10. Annually at the time and in the manner provided by law for all city departments, the school committee shall submit to the finance director of the city of Providence an itemized budget, including an itemized estimate of the anticipated revenue and the proposed expenditures necessary to meet the financial needs of the school department, including sums for the promotion of health of the school children for the ensuing fiscal year, together with such other supporting information as the finance director may direct.

The finance director, under the supervision of the mayor, may revise the estimates as submitted by the school committee, and the mayor shall present to the city council his recommended budget for the operation of said school committee in the same manner as required by law for any other city department.

The city council shall have the power and authority to act on the school budget in the same manner and to the same extent it may act on the budgets of other city departments, and the city council may appropriate funds to the school department in lump sum or in such detail as it deems necessary and appropriate. The total amount or amounts so appropriated to the school department shall include all revenues from whatever source derived, and the department of finance in said city of Providence shall be charged with the responsibility of insuring that no expenditures are made or obligations created by the school committee which are in excess of the amount or amounts so appropriated or of such amounts as they may be amended by the city council.

SEC. 11. Within the limits of the total amount or the individual amounts appropriated by the city council for the purposes of the school department, the school committee shall have the authority and responsibility for the provision of all public school services; for the establishment of the classification and compensation of personnel; and for the expenditure of all school funds in accordance with law and the provisions of this act.

The school committee may delegate to the superintendent of schools such authority for the administration of the school service as it may deem advisable.

SEC. 12. When in the judgment of the school committee new or additional school buildings or other permanent school facilities, not provided in the annual appropriation ordinance, are necessary or desirable, the school committee shall so notify the mayor in writing, which notification shall include a full description of the construction or facilities proposed, an explanation of the need and an estimate of the probable cost.

The mayor, after investigation, shall recommend to the city council such action on the proposal of the school committee as he may deem appropriate.

In the event the city council approves the construction or acquisition of additional school facilities, the city council shall take such action, enact such ordinances and resolutions, and direct such actions as may be required by law to provide the funds necessary for the construction and acquisition of said facilities.

All alterations and repairs of school buildings shall be ordered by the school committee and made by the superintendent of public buildings or under

his supervision.

The superintendent of public buildings may order said repairs from other departments of the city of Providence, and if so ordered, shall reimburse said departments for any costs expended by them, provided said costs have been duly authenticated by the city controller.

All plans and specifications for new buildings or for additions to buildings for school purposes shall be prepared by the superintendent of public buildings, when and as directed by the school committee; and all work called for by such plans and specifications shall be done under his supervision.

No lands shall be purchased or improved for school purposes, no building or addition to an existing school building shall be constructed, acquired or appropriated for school purposes, and no furnishings shall be installed in any building or addition to a building constructed, acquired or appropriated for school purposes, unless the location of such land, the acquisition of such building, the plans of such building or addition to a building or such furnishings respectively, shall have been recommended or approved by the school committee.

SEC. 13. The city of Providence, from time to time, upon recommendation of its school committee, may take lands therein, improved or unimproved, for the location of schools, the enlargement of schools and for school purposes.

SEC. 14. The city council of the city of Providence is hereby authorized, with the approval of the school committee, from time to time, to sell, lease, use for any other public or municipal purpose, or otherwise dispose of any lands or properties owned by said city which have been purchased or dedicated in any manner for school purposes and which have become unsuitable or shall have ceased to be used for such purposes.

**SEC. 15, All purchases or contracts for supplies, materials, equipment and services required by the school department, other than salaries for teaching and administration, shall be made by the board of contract and supply or the purchasing agent of the city in the same manner as required by law for any other city department.**

**SEC. 16, Chapter 680 of the public laws, 1925, and all amendments and additions thereto and all other acts or parts of acts inconsistent herewith are hereby repealed, except that nothing herein contained shall be effective until the appointment and qualification of the members of the school committee under the provisions of this act to enlarge or decrease the powers and duties of the school committee as constituted under the provisions of any law in force at the time of the passage of this act.**

**SEC. 17, Sections 1, 2 and 17 of this act shall take effect upon its passage. Sections 3 and 4 of this act shall take effect if a majority of the qualified electors voting on the proposition contained in section 1 indicate their approval of proposition B. Sections 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16 of this act shall take effect if a majority of the qualified electors voting thereon indicate their approval of proposition A.**

# RESOLUTION OF THE CITY COUNCIL

No. 791

Approved July 10, 1968

WHEREAS, under authority of Section 116 of the Housing Act of 1949, as amended, the United States of America, acting by and through the Housing and Home Finance Administrator, has agreed to make a Federal grant to City of Providence to assist in a program of demolition of structures which are unsound and unfit for human habitation, which program is described in Application for Demolition Grant No. R. I. M-1, and

WHEREAS, as a condition precedent to the payment of a grant under Section 116, it is necessary that the City of Providence exhaust all other available legal procedures to secure remedial action by the owners of the structures before governmental action is had to demolish them, and

WHEREAS, certain demolition work has been carried out under the program and the City of Providence is desirous of receiving a grant payment to cover the costs of such demolition,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF CITY OF PROVIDENCE,

1. That the demolition of the structures set forth on the schedule supporting the requisition for payment of Federal grant was in accord with the requirements of State and local law and in the public interest.
2. That all other available legal procedures to secure remedial action by the owners of such structures were exhausted before governmental action to demolish them was taken.

Dear Mr. Vespia:

Enclosed are copies of the City Council Resolution in which the City of Providence requests the City Council to approve the filing of an Open Space Application utilizing the Vest Pocket Park Concept in the Model Cities Neighborhood. The subject Application will be filed, if authorized, to the Housing and Home Finance Agency of the Department of Housing and Urban Development, requesting Federal monies for their share of acquisition and development costs.

As the Master Plan for Recreation and Conservation indicates, the Model Cities Neighborhood is in great need for playlots to serve the child from 1-9 years of age with adequate accommodations for those adults who may wish to accompany them. The subject Application follows the guidelines set forth by the Master Plan for Recreation. These sites which have been selected have been chosen and approved by the duly elected Citizens Planning Committee of the Model Cities project area. The subject Application has also been received and approved by the Green Acres Review Committee, the Model Cities Council, the Model Cities Agency, and is currently being reviewed by the Department of Planning and Urban Development, the Statewide Planning Agency and the City Department of Recreation.

The subject Application is comprised of six(6) playlots dispersed throughout the 700 acre Model Cities project area. The six sites are located respectively on Taylor Street,
