Ms. Rose M. Mendonca
Providence City Clerk
Department of City Clerk
Providence City Hall
Providence, Rhode Island 02903

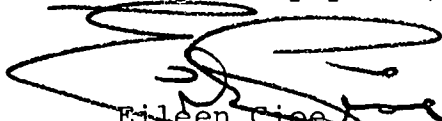

Dear Ms. Mendonca:

With reference to your transmittal of a City Council resolution dated October 9, 1980, requesting an extension of its Wickenden Street bus route to the Fox Point Manor, located at 575 Wickenden Street, please be advised that we have taken under advisement this deviation and find that we cannot recommend this service request for implementation for several reasons.

We find that the Fox Point Manor is located on a hill, currently between two bus stops - Gano and Wickenden Streets. There is an existing policy which dictates that stop signs in urban areas should be at least 600 feet apart to meet normal accessibility requirements. The stops aforementioned are within our normal operating guidelines for access to a bus route. As far as the present Taunton Avenue, if we routed through Trenton and Ives Streets to pass the main entrance of the Fox Point Manor, the bus would have to traverse narrow and heavily congested areas that would lead to a loss of service and cause maneuverability problems for our vehicles. In addition, consideration was given to the fact that the street network allows parking on both sides of the street, which further decreases maneuverability of our vehicles.

We thank you for your interest in the Rhode Island Public Transit Authority in our ability to provide viable transportation services to our mutual constituents.

Very truly yours,

Eileen Cioe
General Manager
