REF. 1411

The Honorable City Council
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has investigated City Council Request #670 for TWO HOUR PARKING on the east side of Baxter Street, between Lillian Avenue and Saratoga Street.

At the time of the observations, there was found to be several available spaces on the easterly side of Baxter Street and no vehicles parked on the TWO HOUR PARKING area on the westerly side. Because of the availability of parking in this area, it is felt that no additional regulations are required on Baxter Street at this time.

Very truly yours,

Roger T. Chandler

Gentlemen:

In reply to the request for a CAUTION BAD CURVE sign on Burns Street at the site of the recent fatality, appropriate warning arrows were installed on March 5, 1958. It is felt that this signing may warn motorists and prevent a recurrence of the recent tragedy at this location.

Very truly yours,

Roger T. Chandler
Traffic Engineer
