Dear Councilman McClarkin,

I am writing this letter to explain our plans and needs to organize an environmental fair for Earth Day Weekend.

On Thursday April 20th from 6am to 4pm we would like to have Claverick Street in downtown Providence blocked off. To promote Earth Day Weekend we plan to have an environmental fair on this date from 8am to 3:30pm. The energy van from Narragansett Electric and other environmental agencies will be a part of this fair.

I contacted the Traffic and Engineering Department and they advised me to contact you for approval. If Claverick Street can be blocked off the Earth Day Committee would be most appreciative. If you have any questions, or need more information, please call me at 598-1499.

Thank you for your time.

Sincerely,

Mark Beveridge  
Assistant Director of  
Student Activities
