Renewal, and Planning Committee
Providence City Hall
25 Dorrance Street
Providence, RI 02903-1739

Dear Councilwoman DiRuzzo:

This letter will serve to respond to your June 7, 1989 letter regarding the proposed resolution that the numbers 640, 642, and 648 be added to the building located along 644-646 Elmwood Avenue.

Our recommendation is to approve this resolution based on the fact that it conforms to the sequence of numbers within the block on Elmwood Avenue. I am satisfied that this change will not compromise the numbering system in the City of Providence. The logical assignment of these numbers will maintain the efficient delivery of mail and emergency services to the community.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Sincerely,

Wallace Kido
