Subject: [EXTERNAL] Thank You

Good morning,

Happy 2024! I hope you are off to a great start in the new year. I am sending this message to inform PHRC that I am no longer able to commit to my responsibilities as a commissioner. Unfortunately, I have returned to working two jobs which my schedule does not allow me to attend meetings.

It was an honor to be part of a committed group. I hope we can work together in the near future.

All the best,

Yuselly Mendoza
