Gentlemen:

Your request to investigate petition to demolish and
raze structure on Moultrie Court is hereby acknowledged.

Please be advised that this building is located at
corner of Moultrie Court and Howard Street, and the correct
address is ~~416~~ 416 Howard Street, on Assessor's Plat 35, Lot 77.

This property was taken over by the City on tax
sale in May 1966, and on October 4, 1966 was referred to
Everett A. Travisono, Purchasing Agent, for the purpose of
obtaining bids to demolish said building.

Very truly yours,

Vincent DiMase, Director

Gentlemen:

In answer to the City Council Resolution requesting the Traffic Engineer to cause vehicular installation of traffic control signal lights at the intersection of Academy Avenue with Atwells Avenue. This intersection has been put on the priority list for installation in the fiscal year 1966-1967.

Actual construction will start shortly after the first of October of 1966, when new money becomes available in our "Traffic Signal Construction" account.

Very truly yours,

John I. Logan
Traffic Engineer

RE: In reply to City Council Resolution that the Traffic Engineer is requested to relieve present "Parking Regulations" in front of 95 Hartford Avenue. Submitted by Councilman William J. Murphy.

Gentlemen:

The investigation of the area indicated that the parking in front of the Mercury Lounge is restricted during the time 4:00PM to 6:00PM. This restriction is necessitated by the turning movement from the D. J. Roberts Expressway, west bound on Hartford Avenue. Any vehicles parked at the curb in this area would be in a definately hazardous position. Trailer trucks making this left turn from the D. J. Roberts Expressway are severely impeded by the parked vehicles. Therefore, it is our feeling that the 4:00PM to 6:00PM restriction in this area is necessary, and should remain in effect.

It should be noted that there is available parking on the southerly side of Hartford Avenue in close proximity to the Mercury Lounge.

Very truly yours,

John I. Logan
Traffic Engineer
