Priscilla De La Cruz  
Director, Sustainability Department  
City of Providence  
25 Dorrance Street  
Providence, RI 02903

Dear Priscilla,

I hereby resign from my position on the Providence Sustainability Commission, pending either the end of my term or confirmation of my replacement, whichever comes first. I am glad to have served on this vibrant commission, but I am unfortunately moving out of the city of Providence to Cranston. My seat on the Commission should be held by a Providence resident, so I will step aside so you can find that person. Thank you for all that you and the Department do for the city and its residents! Please let me know if I can help find a replacement or if you have any questions.

Best,

  
Kevin Essington
